McDaniel Lake Bridge status update presentation Monday

The Greene County Highway Department will present a status update on the McDaniel Lake Bridge to the Greene County Commission at the commission session Monday, July 18, 9:30 a.m. in the Historic Courthouse, Room 212, 940 Boonville, Springfield.

The report will include a review of public feedback received at the April 12 public open house, and information from the Ebenezer Fire Protection District and other agencies affected by the bridge closure. The Highway Department will also brief the commission on its efforts to refine cost estimates for the proposed alternatives, related funding issues and possible sources for outside funding.

Monday's status update is for informational purposes only, with no Commission action requested. The Highway Department does not expect to make any recommendations on the future of McDaniel Lake Bridge until winter, 2011.
