Greene County Election results updated

Greene County Clerk Richard Struckhoff has updated the Nov. 2 General Election results on the Greene County elections website.

Struckhoff said the updated totals did not impact the outcome of any races or proposals on the ballot.

The new totals now include all ballots cast on DRE (accessible voting) machines and ballots cast in 2nd Jackson precinct in Strafford, which had to be counted by hand.

Struckhoff said provisional ballots are still under review, but will be added to the official election results prior to certification, which is scheduled for Tuesday, Nov. 9.

The updated results are at www.greencountymo.org/election/elections_result.php.
