Samantha Peterson provided a training presentation on HMEP training courses available to choice from this year. Samantha provided a listing and short explanation of each class offered. The group held discussion of class selection and prioritization. Each class needs to have at least 15 students to keep it on the schedule and not cancelled. So the commitment of attendance at the selected courses is important.

The next LEPC General Membership meeting is scheduled for December 15, 2016.

Ralph called for other new business.

None was brought forth.

A motion was made by Zim Schwartze and seconded by J. D. Landon to adjourn the meeting. The motion passed and Ralph adjourned the meeting at 12:24 p.m.

Respectfully Submitted,
 Karen McKinnis
