## **Greene County Collector Provides Residents Helpful Tips for Managing Personal Property Tax Payments**

Greene County Collector Leah Betts is reminding residents about deadlines and payment information related to personal property taxes for 2019. Most personal property and real estate tax bills were mailed in October. **Payments are due by December 31.**

The Collector's Office also offers the following helpful tips for the process:

1. If you didn't get a bill or misplaced your bill, please visit [www.countycollector.com](http://www.countycollector.com) and print one from there. If you can't find one there, call 417-868-4036.
2. Payments must be postmarked by the U.S. Post Office or made on our website on or before December 31.
3. To save taxpayer dollars, we stuffed as many matching statements as possible in the same envelopes. For example, personal property and real estate statements may be in the same envelope. They can sometimes stick together like two new twenty dollar bills.
4. By far the best way to pay is via the website at [www.countycollector.com](http://www.countycollector.com). No stamp. No lines. No waiting for a receipt to arrive in the mail.
5. Pay now, don't procrastinate. The earlier, the better. This helps avoid issues that can arise with payments, such as checks being written for the wrong amount. By paying early, there is time to resolve any issues before late fees have to be charged.

"My goal is to make the process as convenient and hassle-free as possible for residents," Betts said. "As always, we are ready to assist with any questions or concerns, and to help people avoid any late fees."
