Greene County offices to close early due to inclement weather

Due to the wintery mix of weather we have experienced this morning and the possibility of freezing temperatures and more precipitation late this afternoon, the Greene County Commission in coordination with the Circuit Court have agreed to close Greene County offices at 3 p.m. today.

Greene County is the State of Missouri's fourth most populous county, serving more than 275,000 people (2010 census). Its mission is to provide all citizens of Greene County, including those in its cities, a safe and thriving community through excellent customer service, unparalleled dedication, and the efficient use of taxpayer dollars. Within that authority the Commission enacts ordinances, resolutions and policies, supervises the activities of county departments, fixes salaries, adopts the annual budget, provides for construction and other services, and conducts hearings on planning and zoning matters.
