2021 BUSINESS ASSESSMENT LIST

Dear Business Owner / Manager: You are required by law to provide a list, indicating type, year purchased and original cost, for all tangible personal property, e.g. Vehicles, Computers & Office Equipment, Furniture, Fixtures, Manufacturing Equip. & Tooling, etc., belonging to you or under the control of your company in Greene County, Missouri, on Jan. 1st. Complete this form, sign and return it before March 1st to avoid penalty.

Follow instructions below and on back.

AVOID PENALTY Return by March 1st

RICK KESSINGER
GREENE COUNTY ASSESSOR
940 NORTH BOONVILLE AVE RM 37
SPRINGFIELD MO 65802-3802

PHYSICAL ADDRESS OF BUSINESS:

PHONE #	FAX #	EMAIL	FEDERAL ID #
---------	-------	-------	--------------

IMPORTANT – PLEASE READ INSTRUCTIONS BEFORE PROCEEDING. “SAME AS LAST YEAR” WILL NOT BE ACCEPTED.

This return will be used by the Assessor to determine the taxable value of your business personal property. You are required by Missouri Statute Section 137.340 to provide the Assessor with an itemized return listing all tangible personal property owned or controlled by said business on January 1st of each year. A copy of your latest fixed asset list showing acquisition date and original cost of all assets should accompany this declaration. All fixed assets as shown on your company's financial records must be reported on this form, including items fully depreciated and expensed items. **Depreciation on all items, except vehicles, will be based upon the IRS Cost Recovery MACRS tables, as per Missouri Statute 137.122.** A separate form should be prepared for each business location. The minimum assessment on a business account is \$100. For assistance or questions regarding this form, please call (417) 868-4826 or (417) 868-4192 or 417-868-4081.

Missouri state law Section 137.345 requires a filing penalty be added to the tax bill of any taxpayer who neglects or refuses to file a personal property declaration. An unsigned or incomplete declaration is not a properly completed declaration, and may not be accepted by the Assessor.

Business personal property is taxed where it is located on January 1st. This applies to all assets, including heavy equipment, leased equipment and vehicles. Property is “placed in service” when it is ready and available for use, even if it is not currently being used. Movement of property out of the county or out of the state for the purpose of avoiding taxation is in violation of Missouri state law.

A business can submit its declaration of property in the following ways:

1. Complete this form and return to County Assessor
2. Submit its own computer-generated form (if submitting a computer-generated form or sending an asset listing, each category must be totaled by year).
3. Submit your totals by category electronically (the assessor's office accepts Excel files). For any other file types, please call our office before submitting. Email to: cking@greenecountymmo.gov or bpurdy@greenecountymmo.gov or gspangenberg@greenecountymmo.gov
