

Emergency Rental Assistance Program

How do I Apply

Good news! We realize that many government programs are complicated with many requirements to understand. Greene County has structured this program so you can make an appointment with a trusted Community Agency and fill out the application together.

We ask that you contact one of our partnership agencies to schedule an appointment.

To make the most of your appointment please bring the following items:

- A listing of every individual living in the household
- Copies of State ID's or similar identification and Income information for every individual 18 years or older
 - Either 2020 Tax return or past 60 days of income sources that are reported on a tax return
- Documentation of unemployment for at least one of the individuals or a reduction in pay due to COVID-19
- Past-due rent and utility bills and/or notices of eviction
- A copy of your lease agreement
- Contact information for your landlord
