

Emergency Rental Assistance Program

Status Update: March 16, 2021

We estimate receiving 1,500 calls about our program so far. In our first week with our program we have screened for eligibility 558 of that call volume and booked 335 appointments. We have completed 43 face to face appointments with 20 of those providing final information. Five of those have had award amounts with the remaining anticipated next week.

Our reporting system and duplication system is expected to be reviewed on Friday and up and running next week. We are currently collecting the needed agreements for database access with the MHDC.
