GREENE COUNTY COLLECTOR'S OFFICE

How to pay your taxes

Personal Property Taxes

Personal Property tax is an annual tax on things like cars, boats, trailers, etc., determined by the assessed value of the property. This is all based on what you owned and where you resided on January 1st. The bills are due by December 31st each year.

The DMV (aka License Bureau) is the place you go to register your car and purchase tags. They collect sales tax when you first buy a car, but they do not collect personal property taxes. They need some sort of proof that you don't owe any personal property taxes before they will issue tags. If you paid taxes last year, they'll want to see a receipt. If you didn't pay taxes, you'll need to bring them a waiver (aka Statement of Non-assessment) from the Collector's Office.

Real Estate Taxes

Real Estate taxes are annual taxes based on the assessed value of a property as determined by the Assessor's Office. Have a question about how assessment works? Give them a call at 417-868-4101.

Real estate includes land, buildings, and anything affixed to the land like a fence or well. You don't have to turn in an assessment list for real estate! Real Estate taxes are due by December 31st each year.

Where does my tax money go?

Property tax revenue goes to pay for things like schools, roads, bridges, libraries, firefighters, and a lot more! Your annual tax bill will have a breakdown of where each penny goes.

Find your personal property and real estate tax statements and pay your taxes at www.CountyCollector.com

From our website you can view and print receipts and statements, pay your bill, and contact our office with any questions. If you're paying online, remember to look at your statement first to get your Tax ID and PIN number. The receipt from your payment will be available instantly on the website. You can print an official copy any time online, for free!

Tax Rates

The list below is the tax rate of the top 10 taxing jurisdictions in Greene county for the past three years:

	2024	2023	2022
Springfield School District	3.9888	3.9787	4.0767
Republic School District	4.2123	4.1254	4.1254
Willard School District	4.1284	4.1284	4.1284
Logan-Rogersville School District	4.3437	4.3108	4.4172
Strafford School District	3.8000	3.8000	3.4500
City of Springfield	0.6101	0.6091	0.6200
County Library	0.2331	0.2328	0.2405
OTC College	0.1871	0.1871	0.1911
County Roads	0.1121	0.1025	0.1040
County General Revenue	0.1120	0.1024	0.1040

Please note that you only pay taxes on the districts that apply to you, not every levy for every district. Your individual tax statement will identify your specific tax districts.

Assessor's Office

When the Assessor 'assesses' property, they determine the value of that property. If you have questions about how/when/why your property has been valued one way or another, call the Assessor! 417-868-4101.

An Assessment List is a form the Assessor sends out at the beginning of the year. It asks what property you owned on January 1st of the year. Be sure to fill it out each year, even if your property hasn't changed!

January 1st:

Whatever personal property you own January 1st is the basis of your tax bill. Personal property taxes aren't prorated, which means that if you sell your vehicle on January 2nd, you'll still owe that year's taxes. However, this also means that if you buy a car after January 1st, you won't pay these taxes on it until next year!

March 1st:

Your assessment list is due March 1st. Haven't received one? Call 417-868-4101 to ask the Assessor's Office for help!

November:

The Collector starts sending out tax statements. If you don't have yours by Thanksgiving, give us a call at **417-868-4036** or check online at www.CountyCollector.com

December 31st:

Taxes are due December 31st! Remember, you can always pay online. Don't leave things to the last minute, though! You never know what could come up if you wait until the eleventh hour.
