2L RULE 13 SUMMER INTERNS &

3L SEMESTER IN PRACTICE STUDENTS

The Greene County Prosecuting Attorney's Office is committed to working as ministers of justice to ensure that justice is achieved fairly, effectively and efficiently through advocacy and community leadership. We are looking for second year and third year law students with excellent credentials who are interested in criminal prosecution and the pursuit of justice and who want to get real life courtroom experiences practicing under Rule 13.

We are located in Springfield, Missouri, a city of 169,000 people, and a place that has everything you desire. We have great schools, world-class health care, and all the entertainment and cultural options of a big city—but with far less stress and an abundance of character and friendliness. You can explore a career seeking justice, enjoy a short commute, and enrich your life amid our natural Ozarks beauty.

Minimum experience/skills:

- Eligibility for practice under Rule 13
- Interest in public service, public safety, and the pursuit of justice
- Desire and ability to effectively work as a member of a team
- Excellent legal writing/oral advocacy

Opportunities Offered:

- Assist in the prosecution of criminal cases ranging from traffic infractions to serious felonies
- Immediate courtroom experiences
- Intern in the largest law office in Southwest Missouri with award winning attorneys

Advantages:

- More experience and opportunities than private practice
- Work on cases that affect policy and impact public safety
- Mentoring by experienced attorneys
- Training & professional development
- Big city amenities, small town feel
- Gateway to great outdoor recreation
- Low cost of living
