

2025 APPLICATION FOR REAL PROPERTY TAX EXEMPTION
GREENE COUNTY, MISSOURI

**APPLICATION FOR REAL ESTATE
TAX EXEMPT STATUS 2025
GREENE COUNTY MISSOURI**

Instructions

This application for tax exempt status has been written to assist in determining whether real property should be exempt from ad valorem property taxation. If there are other factors which you believe should be considered, please state them on the form or an additional sheet of paper. Be sure to complete the address and telephone number of the person signing the form so that more information may be obtained, if necessary.

General Rule

Under Missouri Law, Section §137.100(5) RSMo, the following property may be exempt:

1. Property owned by the State or other political subdivision such as the city, county, public water district, etc.
2. Agricultural and Horticultural societies and non-profit cemeteries.
3. Property used exclusively for religious worship.
4. Property used for schools and colleges.
5. Property used exclusively for purposes purely charitable.

To be exempt, the property must be used regularly and exclusively for the purposes of the organization and **NOT** used for profit.

Note that prior approval for tax exempt status does not guarantee continued future approval.

Exclusive Use

If the property is not being used for the purpose of the organization, it is **NOT** exempt. If the property is rented out for a purpose other than that of the organization, it is not exempt, even if rentals received are used for the organization's purpose.

While the state statute, Section §137.100(5) RSMo., says that the property must be actually and regularly used exclusively for religious worship or for purposes purely charitable, an occasional related use will not destroy the exemption. For example, a church, hall or activity room is probably exempt, even though receptions are held there which are not technically religious worship.

Charities

Organizations qualifying under the charitable purpose category must meet a three-fold test.

1. The property must be owned and operated on a not-for-profit basis.
2. The property must be used for the benefit of an indefinite number of people;
and
3. The property must be used for charitable purposes.

Organizations such as the Y.M.C.A., Salvation Army, hospitals, summer camps and homes for the elderly can meet the qualifications of being for purposes purely charitable if they meet certain guidelines such as promoting the well-being of mankind and the community; providing services to those who could not afford them; seeking to build character, improve the physical, mental, and moral condition of recipients; and **NOT** limiting the groups by geographic boundary, race, religion, ethnic background, etc.

Religious Organizations

A parsonage, rectory or convent is generally considered closely enough connected with religious worship to be exempt; however, member's homes are **NOT** exempt even where all members are ministers. In a recent case a Missouri court held that a church-owned bookstore was not exempt. Vacant – Dormant land is considered investment property and **NOT** eligible for tax exemptions.

**Applications must be received by April 1st, 2025,
for consideration for the 2025 tax year.**

**Applications received after April 1st, 2025, will
be considered for the 2026 tax year.**

**Applications will be reviewed in the order
received. Notice of approval *OR* decline will be
sent to applicants mailing address *AND* email
