

GREENE COUNTY COMPREHENSIVE PLAN UPDATE

TIMELINE

PROJECT KICKOFF

- Introduce the planning process
- Launch survey, branding, and public engagement opportunities

COMMUNITY ENGAGEMENT & VISIONING

- Public workshops, surveys, and focus groups
- Identify key issues, priorities, and community values
- Develop a shared vision for the future

EXISTING CONDITIONS & DATA ANALYSIS

- Review demographics, land use, housing, transportation, economy, environment, and infrastructure
- Prepare a “snapshot” report of current conditions

DRAFT GOALS & STRATEGIES

- Develop goals based on community vision and data analysis
- Draft strategies and policies to achieve those goals
- Gather public input on priorities (new survey)

DRAFT COMPREHENSIVE PLAN

- Prepare the full draft plan
- Share with the public for review and feedback
- Conduct open houses and online engagement

PLAN REFINEMENT

- Incorporate public and stakeholder feedback
- Finalize recommendations and implementation strategies

ADOPTION

- Present final plan to Planning & Zoning Commission and elected officials
- Formal public hearing and adoption

IMPLEMENTATION & MONITORING (ONGOING)

- Establish action steps, timelines, and responsibilities
- Regular updates to track progress
