Greene County Sheriff's Office Sobriety Checkpoint *DWI Enforcement*

Springfield, MO – Greene County Sheriff's Office will be conducting a sobriety checkpoint in Greene County. The sobriety checkpoint is set for the evening of Friday, July 22 and is expected to continue until Saturday, July 23.

Checkpoint Supervisors for the department have selected the above location based on previous number of Alcohol/Drug related crashes in the past two years as reported by the Missouri State Highway Patrol. Every impaired driver entering the checkpoint will be arrested.

The mission of the Greene County Sheriff's Office is to remove impaired and intoxicated drivers from the roadway. The Greene County Sheriff's Office will utilize this sobriety checkpoint to facilitate that mission.
