Greene County residents should have already received property tax bills

The Greene County Collector's Office mailed Real Estate and Property Tax bills to county property owners Wednesday, Nov. 10, 2010. Greene County Collector Scott Payne said all residents should have received their bills by now.

"If you are a Greene County taxpayer and you haven't received your statement yet, something went wrong," said Payne. "The good news is you don't have to call the Collector's Office this year. You can simply go to the Collector's website, www.countycollector.com, where you can look up and print your own tax statement. While you're there, take a look around; the answers to most of the questions taxpayers have are answered on the website."

For more information, call the Greene County Collector's Office at 417-868-4036 or Jenny Fillmer Edwards, Greene County Public Information Officer, at 417-829-6019 or 417-224-5510.
