## FLOODING HAZARD REPORT

Springfield-Greene County  
Office of Emergency Management

### Emergency Operations Center Partner Agencies

08/5/2017 – 8:00 p.m.

#### Current Warnings and Watches:

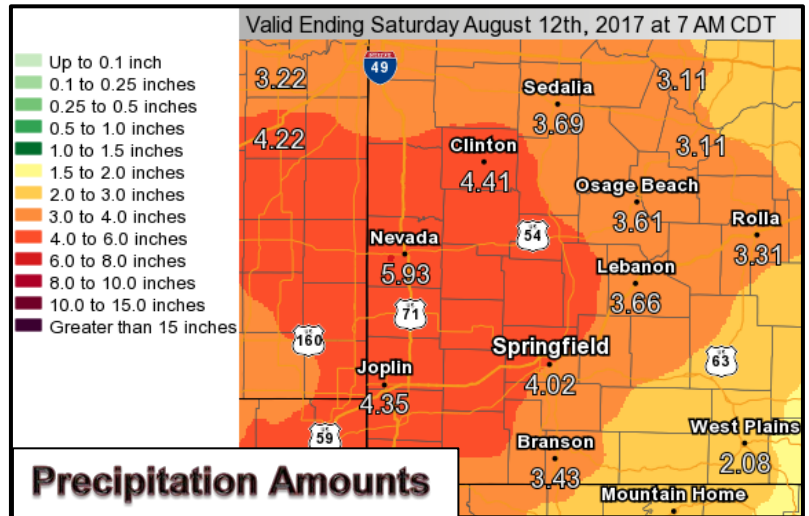

*Flash Flood Watch through Sunday evening*

#### Hazards:

Damaging Winds	<i>Elevated</i>
Hail	<i>Elevated</i>
Lightning	<i>Significant</i>
Flooding	<i>Significant</i>

#### Summary:

Showers and thunderstorms will occur overnight tonight. Very heavy rainfall leading to flash flooding will be tonight. Storm total rainfall amounts of two to four inches is likely in the Flash Flood Watch area with a few locations receiving up to eight inches of rainfall by the time the rainfall ends Sunday. A few instances of high impact/very dangerous flash flooding is possible overnight.

#### Outdoor Activities Statement:

Citizens should consider the following guidance:

- Citizens with outdoor recreational plans along area rivers and streams should closely monitor conditions.
- Have a severe weather shelter plan! Don't wait until severe weather is imminent to figure out where to shelter.
- Have a way of receiving severe weather warnings (NOAA Weather Radio, social media, news media, etc.)
- Take shelter when lightning is in the area! "When thunder roars...go in doors."
- Do not drive through water covered roadways! "Turn around...don't drown."
