SEVERE WEATHER HAZARD REPORT

Springfield-Greene County
Office of Emergency Management

01/31/2018
0830 hrs

- TEST REPORT -

This is a test report. This only a test. Only OEM staff should be receiving this report. You should be receiving it in email and in text form. If you did not receive it in text please let me know as early as possible so I can double-check your contact information. Contact me at avelez@greencountymo.gov. Thank you.

Typical reports that you may receive include information relating to:

- Severe Weather
- Flooding
- Fire Weather
- Space Weather
- Winter Storms...Just to name a few!

Each report header will let you know what the report is about. These reports give you information about pending or ongoing events and potential actions that may be relevant. You will receive these reports via email to your computer or personal device. The following message will appear:

The Springfield-Greene County Office of Emergency Management has just released a new Hazard Report.

It can be viewed at the following link.
