ALERT SEVERE WEATHER

stay aware, be prepared...

SEVERE WEATHER HAZARD REPORT

Springfield-Greene County Office of Emergency Management

Emergency Operations Center Partner Agencies

02/06/2019 – 11:00 am

Watches/Warnings:

Flood Watch in effect from Feb. 6, 6:00 pm until Feb. 7, 6:00 pm.

Hazards:

Tornado	Limited
Hail	Limited
Wind	Limited
Flooding	Elevated
Lightning	Limited

Discussion:

Strong to severe thunderstorms are possible from this afternoon through mid-morning Thurs. All modes of severe weather are expected, including large hail, damaging wind gusts, and tornadoes. While the window of possible severe weather will occur from this afternoon through tonight, the highest frequency of intense storms will occur during the overnight hours. A flood risk also exists through Thurs. as 1-3 inches of widespread rainfall is expected.

Confidence Level: Moderate

Citizen Action Statement:

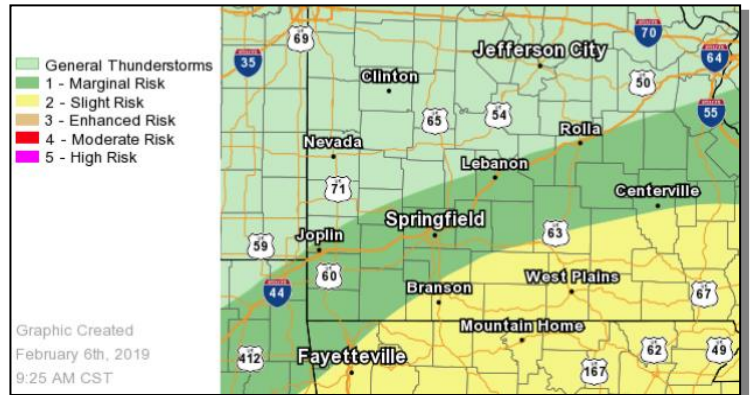

Citizens should consider the following guidance:

- Citizens with outdoor recreational plans along area rivers and streams should be alert for the potential for lightning strikes and rapidly rising water levels. *“Turn around...don’t drown!”*
- Have a severe weather shelter plan before it strikes! Review emergency kit and identify closest safe shelter.
- Have a way of receiving severe weather warnings (NOAA Weather Radio, social media, news media, etc.)
- Take shelter when lightning is in the area!
 - *“When thunder roars...go indoors!”*

Emergency Management Issues:

- Springfield-Greene County EOC is currently at OpCon **Level 4: Monitoring**
- All interested parties should continue to monitor the situation for continuing forecast changes.
- The OEM will be monitoring "WxNet" (B-15) on Greene County 800 TRS
- Follow OEM: Twitter @gcoem or Facebook/SpringfieldGreeneOEM
