Elevated

Discussion:

Freezing drizzle and light freezing rain will cover the outlook area Wednesday night and early Thursday morning. A thin glaze of a tenth of an inch appears increasingly likely especially on elevated surfaces.

Travel Issues:

Impacts: Roadways mainly wet Tuesday afternoon. Low visibility likely at times Tuesday evening and Tuesday night with a few accidents and slide-offs possible.

Preparedness Considerations: Consider a winter storm kit for your car. Winterize your vehicle. Pay close attention to upcoming weather information. Watch for social media posts from OEM and affiliated partners.
