SEVERE WEATHER ALERT

stay aware, be prepared...

SEVERE WEATHER HAZARD REPORT

Springfield-Greene County
Office of Emergency Management

Emergency Operations Center Partner Agencies 05/01/2019 – 0725

Watches/Warnings: *Flood Warning* in effect until May 1, 10:15 PM. *Flash Flood Watch* until May 2, 7:00 AM.

Hazards:	5/1	5/2
Severe Storms	Limited	Limited
Lightning	Significant	Elevated
Flooding	Elevated	Limited
Tornado	Limited	
Hail	Limited	
Wind Gusts	Limited	

Discussion:

Scattered storms expected into this evening, increasing later tonight. A few supercell storms could develop late this afternoon and evening. Large hail to the size of golf balls, damaging winds, and an isolated tornado would be possible. Flooding will continue through tonight.

Citizen Action Statement:

- Citizens with outdoor recreational plans along area rivers and streams should be alert for the potential for lightning strikes and rapidly rising water levels. "Turn around...don't drown!"
- Have a severe weather shelter plan! Review emergency kit and identify closest safe shelter.
- Have a way of receiving severe weather warnings (NOAA Weather Radio, social media, news media, etc.)
- Take shelter when lightning is in the area!
 - "When thunder roars...go indoors!"

Emergency Management Issues:

- Springfield-Greene County EOC is currently at **OpCon Level 3: Monitoring**
- A new Region D WebEOC Incident has been created. Incident Name: 2019-04-29 Regional Severe Weather.
- All interested parties should continue to monitor the situation for continuing forecast changes.
- OEM is monitoring "WxNet" (B-15) on Greene County 800 TRS
