SEVERE WEATHER ALERT

stay aware, be prepared...

SEVERE WEATHER HAZARD REPORT

Springfield-Greene County
Office of Emergency Management

Emergency Operations Center Partner Agencies
06/03/2019 – 1130

Watches/Warnings: *No Watches or Warnings in effect.*

Hazards:	6/3	6/5
Severe Storms	Limited	Limited
Lightning	Limited	Limited
Hail	Limited	Limited
Wind Gusts	Limited	Limited

Discussion:

6/3: There is a marginal risk for severe thunderstorms this afternoon and evening in the area. Large hail and damaging wind gusts are the main threats with the stronger storms.

6/5: Periodic thunderstorms are expected in the area for much of this week. Some limited chances for strong to severe storms are possible Wednesday. A renewed risk for flooding may materialize. The best chances for heavier rain appear to be Thurs. and Fri.

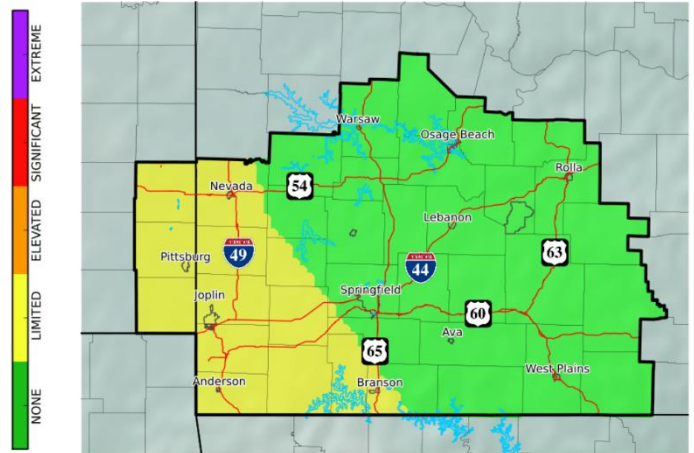

Citizen Action Statement:

- Have a severe weather shelter plan! Review emergency kit and identify closest safe shelter.
- Have a way of receiving severe weather warnings (NOAA Weather Radio, social media, news media, etc.)
- Take shelter when lightning is in the area! *“When thunder roars...go indoors!”*
- Citizens with outdoor recreational plans along area rivers and streams should be alert for the potential for lightning strikes and rapidly rising water levels. *“Turn around...don’t drown!”*

Emergency Management Issues:

- Springfield-Greene County EOC is currently at **OpCon Level 3: Monitoring**
- OEM is monitoring "WxNet" (B-15) on Greene County 800 TRS
- All interested parties should continue to monitor the situation for forecast changes.
- Follow OEM: Twitter @gcoem or Facebook/SpringfieldGreeneOEM
