## SEVERE WEATHER HAZARD REPORT

### Springfield-Greene County Office of Emergency Management

**Emergency Operations Center Partner Agencies**  
08/07/2019 – 1600

**Watches/Warnings:** *Flood Watch in effect from Aug 8, 1:00 AM until Aug 9, 7:00 AM.*

Hazards:	<u>8/7</u>	<u>8/8</u>
Severe Storms	<i>Elevated</i>	
Wind Gusts	<i>Elevated</i>	
Hail	<i>Elevated</i>	
Lightning	<i>Limited</i>	<i>Elevated</i>
Flooding	<i>Limited</i>	<i>Elevated</i>

### Discussion:

Multiple thunderstorm complexes are expected over the area tonight through Friday morning. **Timing:** After midnight. A few of these storms could become severe, with damaging wind gusts in excess of 60 mph, 1-inch hail, frequent cloud to ground lightning, and flash flooding possible. Ongoing heavy thunderstorms are expected across the area Thursday morning and afternoon. A few of these storms are expected to become severe, with excessive rainfall rates and flash flooding possible.

**Confidence:** Medium to High for Flash Flooding.

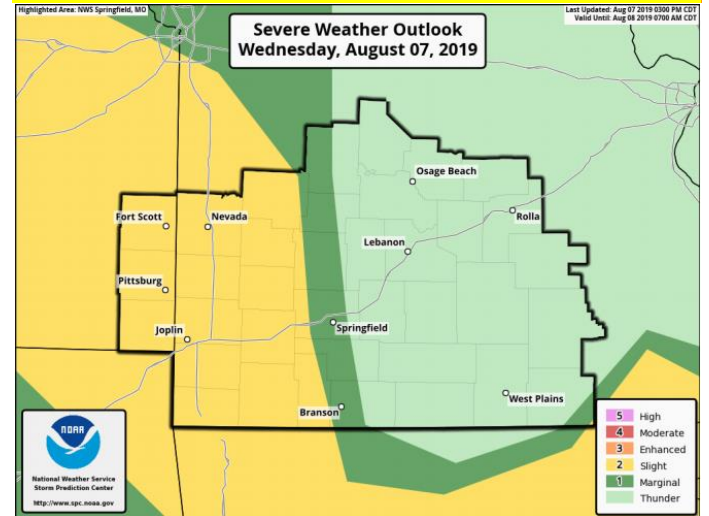

### Citizen Action Statement:

- Have a severe weather shelter plan! Review emergency kit and identify closest safe shelter.
- Have a way of receiving severe weather warnings (NOAA Weather Radio, social media, news media, etc.)
- Take shelter when lightning is in the area! *"When thunder roars...go indoors!"*
- Citizens with outdoor recreational plans along area rivers and streams should be alert for the potential for lightning strikes and rapidly rising water levels. *"Turn around...don't drown!"*

### Emergency Management Issues:

- OEM is monitoring "WxNet" (B-15) on Greene County 800 TRS
- Springfield-Greene County EOC is currently at **OpCon Level 3: Monitoring**
- All interested parties should continue to monitor the situation for forecast changes.
