The digital scan voting equipment for tabulating absentee ballots for the April 7, 2020 General Municipal Election, now June 2, 2020, held at the regular voting locations within Greene County, Missouri, will be held at 9:00 a.m. Monday, February 24, 2020 at the Greene County Elections Center, 1126 N Boonville Ave, Springfield, Missouri. The digital scan voting equipment for tabulating ballots for the June 2, 2020 General Municipal Election held at the regular voting locations within Greene County, Missouri, will be held at 9:00 a.m., Thursday, May 14, 2020 at the Greene County Elections Center, 1126 N Boonville Ave, Springfield, Missouri. The purpose of said public tests is to ascertain that the equipment will correctly count the votes cast on all measures, and shall be open to the press and the public. The tests shall be conducted by processing a pre-audited group of ballots so marked as to record a predetermined number of valid votes on each measure and for each candidate, and shall include one or more ballots which have votes in excess of the number allowed by law in order to test the ability of the automatic tabulating equipment to reject such votes. If any error is detected, the cause therefore shall be ascertained and corrected and an errorless count shall be made before the automatic tabulating equipment is approved.

A posttest of the digital scan voting equipment for tabulating ballots of the June 2, 2020 General Municipal Election will be held at 9:30 a.m., Thursday, June 4, 2020 at the Greene County Elections Center, 1126 N Boonville Ave, Springfield, Missouri.
