6. Jail project update
7. Brief explanation of each of the board packet items
8. Questions and Discussion
9. Next Meeting Date: Thursday, July 18th, 2 PM
10. Adjournment

POLICIES AND PROCEDURES OF THE GREENE COUNTY SALES TAX OVERSIGHT BOARD

Mission

The Sales Tax Oversight Board was established in March 2018 as an independent body to ensure transparency of both revenues and expenditures associated with the one-half of one percent General Revenue sales tax approved by voters in November 2017. The establishment of the Board is part of a formal commitment made by the Greene County Commission to provide funding, in whole or in part, to a specific set of projects as outlined in exhibits to the commitment. To carry out this obligation of oversight, the Board will convene regularly to review information pertaining to both ongoing collections of revenues and disbursements of expenditures related to the GR II sales tax, and publish their findings for the residents of Greene County annually after the July meeting.

Recognizing that persons holding a position of public trust are under constant observation, and recognizing that maintaining the integrity and dignity of the public office is essential for maintaining high levels of public confidence in our institutions of government and in the impartiality of the Sales Tax Oversight Board (hereafter referred to as Board), these Policies and Procedures are adopted to govern the performance of the Sales Tax Oversight Board members' duties and to inform the public of the nature of Greene County's General Revenue Sales Tax 2 performance, expenditures, and other related matters.

1.0 ORGANIZATION:

- 1.1 Composition: The Board shall be composed of seven members, each appointed by the Greene County Commission, to a term of two years. Three positions on the board will be appointed in even-numbered years, and four will be appointed in odd-numbered years. An exception will be made for Board members in those positions to be reappointed in 2019, who will be asked to serve three-year terms. Commission appointments will be approved prior to the July meeting.
- 1.2 Chairman: The Board shall elect a Chairman from among its members on an annual basis at the July meeting.
- 1.3 Resignations: In the event of a member's resignation from the Board, the Greene County Commission will appoint a successor who will serve out the remainder of the resigned member's term.

POLICIES AND PROCEDURES OF THE GREENE COUNTY SALES TAX OVERSIGHT BOARD

2.0 MEETINGS:

2.1 Schedule of Board Meetings:

2.1.1 Regular Meetings: Regular Meetings shall take place on the third Thursday of the first month of each quarter at a time designated by the chair. Meeting will be held on the Greene County campus at a location which would be accessible to the public. The location will be determined on availability of space.

2.2 Notice of Board Meetings: The Chairman of the Board shall be responsible for directing the staff representative to provide all necessary written public notices of all Board meetings. Written notice of any meeting shall be given at least five (5) business days prior to the meeting. Staff shall also post notice of all meetings of the Board in accordance with the Missouri Sunshine Law, Chapter 610, RSMo.

2.3 Agenda of Meetings: The agenda for all meetings of the Board shall be established by the Chair with the assistance of the staff. The staff, the Chairman of the Board, or any member of the Board may request that an item be placed on the agenda by communicating such request to the staff and Board Chair at least seven (7) business days prior to the meeting date.

2.4 Quorum: A simple majority of Members of the Board shall constitute a quorum for the transaction of business at all regular meetings.

2.5 Open Meetings: All Board meetings are open to the public except for attorney-client privileged meetings, as provided by the Missouri Sunshine Law, Chapter 610 of the Revised Statutes of Missouri.

3.0 MEMBERSHIP RESPONSIBILITIES:

3.1 Regularly attend all scheduled meetings of the Board.

3.2 Prepare for each meeting by reviewing materials and data which will be furnished by staff seven days prior to the meeting.

POLICIES AND PROCEDURES OF THE GREENE COUNTY SALES TAX OVERSIGHT BOARD

- 3.3 Allow Members, staff, and the public sufficient opportunity to present their views, within the prescribed rules for conduct of meetings of the Board.
- 3.4 Members shall not convey the impression they are in a position to influence the outcome of a decision of the Board, and shall not attempt to use their position to influence or sway the staff.
- 3.5 Members shall discharge their duties and responsibilities without favor or prejudice toward any person or group. Members shall not allow personal or business relationships to impact upon their conduct or decisions in connection with Board business and shall not lend their influence towards the advancement of personal interests or the interests of friends or business associates. Members should refrain from participating in any proceeding in which their impartiality may reasonably be questioned or their personal employment or business relationship with any applicant or any interested party that could conceivably influence their decision with respect to any agenda item pending before the Board. This provision is not intended to prevent any Member from joining or having an affiliation with any business, professional, or special interest organization.
- 3.6 Any emails sent by any interested party or member addressed to be received by a quorum of the members of the Board shall constitute an open record under the Sunshine Law and must be retained by the County pursuant to Section 610.025, RSMo.
- 3.7 If a Member receives a private written, telephonic or electronic, communication from any interested person regarding an agenda item, the Member will promptly forward the information to the staff so that it may be shared with all other Members.
- 3.8 No member of the Board shall seek to influence a decision, participate in any action, or cast a vote involving any matter that is before the Board which may result in a conflict of interest as provided by state law.
- 3.9 The staff, at the direction of the Chairman of the Board, shall take and keep minutes at each regular meeting of the Board. All minutes, resolutions, findings, recommendations and determinations made by the Board shall be a public record.

not require driving responsibilities, if available. At the end of a temporary suspension period, the elected official or department administrator will review the current status of the suspension.

1. If the legal system removes all driving restrictions and restores the employee's license while working in a non-driving position, the employee may be reinstated to their previous position upon written proof from the Courts and approval by the elected official or department administrator. Reinstatement is not guaranteed.
2. If more than one temporary stay has been offered by the legal system, the elected official or department administrator, at their discretion, may offer a temporary extension to the employee fixing a predetermined expiration date.
3. If at anytime during the temporary suspension period, the employee's license is revoked, whether indefinitely or for a specific period of time, the employee may be terminated from employment with Greene County.

Section 14 – 5: Travel Expenses

A. Policy.

Greene County will reimburse employees for official travel and related expenses incurred while carrying out official duties or attending professional conferences and training courses which will benefit both the employee and the county. All official travel must be approved in advance by the elected official or department administrator. When approved, the cost of travel, meals and tips (up to the maximum allowable), lodging, and other expenses directly related to accomplishing official travel objectives will be reimbursed by the county. County policy applies to all county employees, regardless if the county is reimbursed by other funding sources or grants with contradictory policies.

B. Travel Advance.

A travel advance may be obtained for estimated mileage and meals by submitting a request for cash advance form. The request form must be approved by elected official or department administrator and by the County Commission and forward to the Auditor for processing. Employees should allow ample time for the processing of travel advance requests. A cash advance will not be issued for lodging expenses. If county business requires an employee to stay overnight, they should make reservations in advance of the trip through the Purchasing Department or requisition the payment in advance of the trip.

C. Requirements for Reimbursement.

When travel is completed, employees must submit a completed "Greene County Expense Account Report" and a requisition for reimbursement to the Purchasing Department within 30 days. Reports must be accompanied by receipts for all individual expenses. The expense report will include the current procedure and maximum reimbursement amounts for meals and mileage. Employees should contact their supervisor or the purchasing director for

guidance and assistance on procedures related to travel arrangements, travel advances, expense reports, reimbursement for specific expenses, or any other business travel issues.

D. Reimbursable Expenses.

All efforts will be made to keep travel expenses to a minimum and employees are expected to limit expenses to a reasonable amount. The following expenses for approved travel will be reimbursed according to the established allowances or actual cost when accompanied by receipts or other documentation as required or appropriate:

1. Direct travel including air, bus, taxi, and train fares.
2. Direct travel by personal vehicle at the established rate per mile.
3. Overnight lodging when travel extends beyond 50 miles from the county.
4. Meals and tips (up to the maximum allowable).
5. Rental car (on a case by case basis as determined by the Purchasing Director).
6. Other reasonable and related expenses.

E. Non-Reimbursable Expenses.

The following travel expenses will not be reimbursable:

1. Cost incurred by a spouse or other relative accompanying an employee.
2. Personal expenditures such as personal phone calls, movie rentals, valet service, laundry and cleaning, intoxicating beverages, entertainment, or side trips.

F. Personal Travel.

Employees on official county travel may be accompanied by a family member or friend, when the presence of a companion will not interfere with the successful completion of business objectives or increase the expense to the county. Generally, employees are also permitted to combine personal travel by personal vehicle and vacation time with a county travel as long as the additional vacation time is approved and any additional personal travel and other personal expenses are paid by the employee.

G. Vehicle Accident Reporting.

Employees who are involved in a vehicle accident while on official travel must promptly report the accident to their immediate supervisor. (For further information, refer to Section 14 - 2. Vehicle Accident Reporting Procedure).

H. Meals.

Personal meals for Greene County employees traveling on official county business will be reimbursed if an overnight stay is required or the time away from their residence is over twelve (12) hours.

BOK Financial Corporation
Statement Disclosure
PLEASE READ CAREFULLY

Trust and fiduciary services are provided by BOKF, NA through its seven banking divisions: Bank of Albuquerque, Bank of Arizona, Bank of Arkansas, Bank of Kansas City, Bank of Oklahoma, Bank of Texas and Colorado State Bank and Trust. BOKF, NA is a subsidiary of BOK Financial Corporation, a financial holding company.

BOK Financial offers wealth management services through various bank and non-bank subsidiaries including advisory services offered by BOKF, NA and its subsidiaries BOK Financial Asset Management, Inc. and Cavanal Hill Investment Management, Inc. (Cavanal Hill) each an SEC registered investment adviser. BOK Financial offers additional investment services and products through its subsidiary BOK Financial Securities, Inc. (BOKFIS), a broker/dealer, member FINRA/SIPC, and an SEC registered investment adviser, The Milestone Group (Milestone) and CoBiz Wealth, also SEC registered investment advisers, CoBiz Insurance and CoBiz Bank. In this document, BOK Financial refers to the operating subsidiaries of BOK Financial Corporation unless otherwise specifically noted.

This statement was prepared for your exclusive use to provide you with a detailed record of information for the period covered by this report. Please review your statement promptly and report any discrepancies promptly. Market values and estimates are not guaranteed but have been obtained from sources that BOK Financial believes to be reliable. The gain/loss and income figures presented are preliminary and are subject to change and should therefore not be used for tax preparation. Values of certain thinly traded securities are estimates and the actual value might be lower or higher. Estimated Annual Income and Current Yield are estimates and the actual income and yield might be lower or higher. Estimated Annual Income and Current Yield for certain types of securities could include a return of principal or capital gains in which case the Estimated Annual Income and Current Yield would be overstated. Current Yield is based upon Estimated Annual Income and the current price of the security and will fluctuate. This statement may include assets that are not held or managed by BOK Financial. Assets that are not held or managed by BOK Financial are listed solely for the convenience of the client. BOK Financial has no responsibility to maintain, monitor or value such assets. BOK Financial will furnish a written confirmation of any securities transaction covered by this statement within a reasonable time after your written request.

BOKF, NA utilizes the services of its affiliated registered investment advisor, Cavanal Hill, to provide sub-advisory services and to process trades on behalf of client accounts and in common collective funds, where appropriate. Cavanal Hill receives research or other benefits provided by broker-dealers as a result of commissions generated from securities transactions executed by such broker-dealers on behalf of client accounts and within their mutual funds. In selecting broker-dealers, Cavanal Hill considers the value of research and additional brokerage products and services the broker-dealer has provided or will provide to Cavanal Hill. Receipt of these additional products and services are considered to have been paid for with soft dollars. In other words, Cavanal Hill will select brokers on the basis of considerations that are not limited to commission rates, which may at times result in higher transaction costs than may otherwise be obtainable. Products and services that Cavanal Hill receives from broker-dealers include research data and analyses, financial publications, recommendations, or other information about particular companies and industries (through research reports and otherwise), and other products or services (e.g., software and databases) that provide lawful and appropriate assistance to Cavanal Hill in the investment decision-making process. Investment research and brokerage services received as a result of soft dollar payments may benefit clients whose brokerage commissions did not generate the soft dollars used to pay for such services. The receipt of economic benefits may create a conflict of interest. In accordance with regulatory requirements, Cavanal Hill has instituted certain procedures governing soft dollar relationships, including preparation of a brokerage allocation budget, annual evaluation of soft dollar relationships, and an annual review to ensure adequate disclosures of conflicts of interest regarding Cavanal Hill's soft dollar relationships. Please visit www.cavanalhill.com to review Cavanal Hill's ADV for more information regarding soft dollars and the benefits received by Cavanal Hill.

Cavalan Hill also provides investment advisory and other services to the Cavalan Hill Funds; Cavalan Hill Distributors acts as the distributor for the Funds and BOKF, NA serves as the custodian for the Funds; Cavalan Hill, Cavalan Hill Distributors and BOKF, NA receive fees for their services. These fees are described in the prospectuses for the Funds, a copy of which may be obtained from your account administrator, online at <http://www.cavalanhillfunds.com/> by calling 1-800-762-7085. For questions on how your specific account is affected by these fees, please contact your account administrator.

BOK Financial may collect certain payments from mutual funds held by the account and in common collective funds, which may include the Cavalan Hill Funds. All payments from mutual funds, including administration fees, sub-transfer agent fees, shareholder servicing fees, 12b-1 fees, custodial fees, and investment management or advisory fees may be retained by BOK Financial. These payments are described in the prospectuses and other SEC filings related to mutual funds which are available online at <http://www.sec.gov/edgar/searchedgar/companysearch.html>.

In addition, some mutual fund advisers, distributors, or other entities make revenue share or other supplemental payments to BOKF, NA. These payments are based on the amount of the fund's shares sold by BOKF, NA or owned by BOKF, NA's clients and are paid from the entity's revenues or profits, not from the fund assets. The payments will not change the net asset value or price of a fund's shares. BOKF, NA Fiduciary Officers do not receive additional compensation from revenue sharing payments paid to BOKF, NA on fund shares held in discretionary accounts.

BOK Financial may receive certain rebates of fees in association with alternative investments. Rebated fees may be used to cover internal costs to support the review and periodic rebalancing of alternative investments held in accounts. These fees are described in the subscription documents, a copy of which may be obtained from your account administrator.

BOK Financial also collects fees from its proprietary private equity investments, the BOKF Private Equity Limited Partnerships I and II (the PELP Funds). BOKF Equity LLC, an affiliate of BOK Financial Corporation, is the general partner of the PELP Funds, BOK Financial Securities acts as the distributor of the PELP Funds, and BOKF, NA serves as the custodian and provides advisory and other services to the PELP Funds; BOKF Equity LLC, BOK Financial Securities and BOKF, NA receive fees for their services. These fees are described in the subscription document for the PELP Funds, a copy of which may be obtained from your account administrator.

BOK Financial utilizes the services of an affiliated broker-dealer, BOKFS, as well as certain proprietary investment products, where appropriate. Your account may pay fees through the use of such products in the form of commissions, markups, or investment-level fees, in addition to those fees charged on an annual basis. In addition, BOKFS may execute foreign exchange transactions on behalf of BOK Financial and receive spread revenue with respect to such transactions.

BOK Financial utilizes a short-term deposit sweep, where appropriate, for funds awaiting investment or distribution. While BOK Financial may derive benefits from these deposits, the amount of interest earned by your funds on deposit is not affected. BOK Financial retains float, which is interest that is earned on funds held by BOK Financial pending investment or the cashing of outstanding checks. To the extent funds in fiduciary accounts are deposited and are not insured by the Federal Deposit Insurance Corporation, BOK Financial will set aside collateral at all times equal to or exceeding the amount of uninsured fiduciary funds. Please visit www.fdic.gov to learn the full extent of FDIC coverage.

Unless prohibited by law or the governing instrument, BOKF, NA may, in its fiduciary capacity, purchase bonds or other securities from a licensed securities dealer that are underwritten or otherwise distributed by BOK Financial or by a syndicate that includes BOK Financial.

BOK Financial files on behalf of holders for open and closed accounts upon receipt of a notice of Class Action Settlement litigation. A fee may be assessed from the settlement received to defray associated processing costs incurred.

P.O. Box 1376 | 1946 OK 74101-1376

For trusts governed by South Dakota law, if you are beneficiary who is an eligible distributee or permissible distributee of trust income or principal, you have 180 days from the mailing of this statement to make an objection with respect to any matter disclosed within the report, otherwise you will be deemed to have approved the statement.

For trusts governed by Pennsylvania law, if you are a beneficiary who holds a present or future beneficial interest in a trust, vested or contingent, or, in a capacity other than trustee or trust protector, holds a power of appointment over trust property, you have 30 months from the mailing of this statement to make a written objection with respect to any matter disclosed within the statement, otherwise you will be deemed to have approved the statement.

For trusts governed by the laws of other states, please consult with counsel of your choice regarding the period of time you may have to commence a proceeding against the trustee for a claim of breach of trust with respect to any matter disclosed within the statement.

EXHIBIT A (of the Original 102 Resolution)

The Greene County Commission commits to provide funding, in whole or in part, for the following projects upon passage of the one half (1/2) of one (1) percent county-wide general sales tax, submitted to the voters of Greene County on November 7, 2017.

1. Expansion and/or renovation of the Greene County Justice Center to add 806 beds, bringing capacity to not exceed a total of 1,407 beds. The design of the facility will be to allow future additions, if needed.
2. Up to 334 new correction officers and staff and operations for the Justice Center.
3. Fund Federal and State mandates for storm water management.
4. Community mental health programs to assist with the justice system.
5. Staff and operations for the Prosecuting Attorney's Office.
6. Establish best practice treatment programs such as Drug treatment Court, DWI Court, Veterans Court, etc.
7. Community trunked radio system for emergency communications.
8. Juvenile courts building and detention facility.
9. Community animal control facility.
10. Community animal control officer and equipment.
11. Community partnership law enforcement specialty units.
12. Outlying municipal projects.
13. Support staff (budget, purchasing, human resources, information systems, public information office).
14. Courts renovation.
15. Building maintenance and staffing.
16. Equipment replacement (servers, desktop computers, etc).
17. Demolition and parking lot construction.
18. Utilities.
19. Restricted reserve to ensure positive bond rating.

1. Expansion and/or renovation of the Greene County Justice Center to add 806 beds, bringing capacity to not exceed a total of 1,407 beds. The design of the facility will be to allow future additions, if needed.

- Project total at the end of 2018 was \$509,113.
 - \$438,889 covered by Bond Fund 301
 - \$70,224 covered by GR II.
- Jail Advance Team salaries and benefits totaled \$136,808.
- Developing the option of constructing a new facility off-campus to house both the Jail and the Sheriff's Office, which would alleviate issues involving both future jail expansions and current parking and facility space needs on-campus.

2. Up to 334 new correction officers and staff and operations for the Justice Center.

- Most new correctional staff won't be needed until Jail construction is complete.
- The Warrants/Records/CCW division of the Jail was restructured in 2018, with new staff brought on at the end of 2018. This staff will be considered part of the overall increase.
- Reciprocity, as an operational expense of inmate holding until the Jail expansion is complete, has been moved from GR I to GR II with a total expenditure in 2018 of \$357,868.

3. Fund initiatives for environmental and storm water management.

- Seven new storm water and environmental specialist positions were funded at a cost of \$423,442.
- Operating costs and community awareness initiatives totaled \$241,565.
- Storm water projects, including property buyouts and drainage repairs, came to \$658,787.
- The total in expenditures for environmental initiatives was \$1,323,794.

4. Community mental health programs to assist with the justice system.

- There was no spending in 2018 for this project.

5. Staff and operations for the Prosecuting Attorney's Office.

- 21 new positions were created within the Prosecuting Attorney's Office, including Assistant Prosecuting Attorneys, Investigators, Paralegals, and Secretaries.
- Costs for salaries and benefits, new equipment, and other related operating costs totaled \$657,272.

6. Establish best practice treatment programs such as Drug Treatment Court, DWI Court, Veterans' Court, etc.

- The Court provided wraparound services in the form of temporary housing and treatment services totaling \$65,278.
- In Pretrial, two Risk and Needs Triage (RANT) Screener positions together with related operating costs came to \$38,073.
- From the Prosecuting Attorney's Office, a Senior Assistant Prosecuting Attorney was assigned to the Drug Treatment Court, for a total cost in salaries, benefits, and operations of \$84,598.
- The total cost for all services related to treatment programs and early release was \$187,949.

7. Community trunked radio system for emergency communications.

- There was no spending in 2018 for this project.

8. Juvenile courts building and detention facility.

- There was no spending in 2018 for this project.

9. Community animal control facility.

10. Community animal control officer and equipment.

- Animal shelter planning was funded for \$50,000.
- An animal control officer position along with related equipment and operational costs totaled \$155,500.

11. Community partnership law enforcement specialty units.

- The Family Justice Center (FJC) was opened on October 1 through the funding and cooperation of both the Prosecuting Attorney's Office and the Sheriff's Office.
 - Total expenditures for the FJC from both departments came to \$260,403.
- The Fugitive Apprehension Unit (FAU) was created in October as a second partnership unit between the Sheriff's Office and the Prosecuting Attorney's Office.
 - Funding for the FAU will come from increased US Marshals Service revenues out of GR I, after any potential budget savings in the FJC are realized.
 - Total expenditures for the FAU from both departments came to \$81,392.

12. Outlying municipal projects.

- Local projects were funded from GR II for all seven municipalities based on submitted proposals.
- Five municipalities received \$14,285, and two received \$64,285, with the larger allotments to be rotated among the municipalities on a regular basis.
- The total in expenditures for these projects was \$199,995.

13. Support staff (Budget Office, Purchasing, Human Resources, Information Systems, Public Information Office).

- The addition of support staff to various departments, and the related costs in new equipment and operational expenses, totaled \$224,160 in 2018, and was utilized by the following departments:
 - Budget Office: \$43,957.
 - Purchasing: \$39,845.
 - Human Resources: \$38,348.
 - Information Systems: \$99,882.
 - Other support costs: \$2,128.00.

14. Courts renovation.

- Countertop replacements for the Circuit Clerk's Office came to \$32,000.

15. Building maintenance and staffing.

- Historic Courthouse projects totaled \$127,317, comprised primarily of tuck-pointing.
- Jail projects totaled \$256,033. The largest ones among them included:
 - Elevator repair: \$147,337.
 - Boiler replacement: \$88,617.
 - Oven replacement: \$7,233.
 - Lavatory repairs: \$1,247.
- The total expenditures for Building Operations projects were \$371,750.58.

16. Equipment replacement.

- Equipment replacements across Greene County for 2018 are broken down as follows:
 - Jail: \$17,600 for a tilt skillet.
 - County Clerk: \$57,500 for voting equipment
 - Medical Examiner: \$48,112 for assorted equipment and supplies.
 - Information Systems: \$369,626 for operational and telecommunication equipment.
 - Building Operations: \$9,187 for assorted tools and supplies.
- Total equipment replacement expenditures for 2018 were \$502,025.

17. Demolition and parking lot construction.

- Demolition of buildings in the 900 block of North Boonville Avenue totaled \$149,398 in expenditure. The vacant space is currently being used for County parking.
- The property located at 1107 North Boonville Avenue was acquired and converted to a temporary holding site of evidence for the Sheriff's Office until a permanent location is constructed with the jail project. Total costs of acquisition and remodeling were \$340,112.

18. Utilities.

- \$2,112 in utilities expense was incurred at the acquired property on 1107 North Boonville Avenue during the remodeling of the building on the site. This was the only utilities expense paid for from GR II funds.

19. Restricted reserve to ensure positive bond rating.

- GR II has assumed a balance of \$7.2 million in restricted cash reserves for the County.
- A special cash reserve for expenses related to having a 27th pay period has been established from GR II funds, which will contribute an annual amount of \$288,000.

Greene County Operations Center

- Construction expenditures at the end of 2018 were \$540,300. Of this cost, \$237,214 was funded directly from GR II, with the balance funded from the 2018 Certificates of Participation.
- Ground was broken on the project in late 2018, and the current estimated completion date is August of 2019.

1. Expansion and/or renovation of the Greene County Justice Center to add 806 beds, bringing capacity to not exceed a total of 1,407 beds. The design of the facility will be to allow future additions, if needed.

Through 2018, the primary expense for the jail expansion/renovation has been architect fees, which were \$436,201.21. The total anticipated architect fee for the project was based on 7.75% of \$50 million, or \$3,875,000. In March, representatives from various County departments toured facilities to research layout and design. These sites included the Leavenworth Detention Center in Leavenworth, KS, the Miami County Sheriff's Office and Jail in Paola, KS, and the Johnson County Jail in New Century, KS. In May, members of the Jail Advance Team also toured the Douglas County Jail in Douglasville, GA. The total for these trip expenses totaled \$2,564.94, in accordance with Section 14-5 (of the Greene County Personnel Manual) on travel expenses.

Since August, the four-member Jail Advance Team consisting of one employee of each rank (Lieutenant, Captain, Sergeant, and Corporal) has been working with Resource Management, Building Operations, the Finance Team (comprised of the Auditor, Treasurer, Budget Officer, and departmental staff), and the architects in expressing needs and formulating layout design proposals and staffing models. To accommodate their work, \$19,670.08 in expenses was incurred for office furniture and computer equipment.

Miscellaneous expenses in conjunction with the project, including topographic surveys, drafting, and legal fees, totaled \$8,277.54.

An expense of \$42,399.00 was incurred for cost of a replacement for a jail bakery oven. It was determined in October when the replacement was needed that it would ultimately be used in the expanded/renovated jail upon completion and should therefore qualify as part of the overall equipment acquisitions for the jail expansion.

The total project balance as of the end of 2018 was \$509,112.77. These costs were covered by two transfers from Bond Fund 301 totaling \$438,888.71, and a transfer directly from GR II for \$70,224.06. The budgeted transfer for 2018 from GR II was \$2,527,094.86.

Salaries and benefits for the Jail Advance Team are paid directly out of GR II and not covered by the bond. In 2018, that cost totaled \$136,808.10.

In January 2019, the County Commission gave approval for architects and planners to begin the schematic drawings for a "green field" site – a location outside of the main Greene County campus, on property sizeable enough for the jail grounds and the Sheriff's Office, and with room for potential future additions. This is expected to lead to updated designs which will in turn lead to more rigorous and fine-tuned cost analyses, and decisions on functionality and layout in accordance with the County's budget. This would occur in conjunction with a final choice of location and any necessary plans for site preparation prior to the beginning of construction. In total, \$13,530,000 has been budgeted for transfers in 2019 from Bond Fund 301 to cover jail expansion/renovation costs. In turn, GR II will make its annual transfer to Fund 301 for payment on the bond, in the amount of \$6,243,714.72.

Another issue which has come to light in the midst of jail planning is an Order from the Supreme Court of Missouri en banc, dated December 18 and formally announced by chief justice Zel Fischer on January 30, 2019. This Order is scheduled to take effect on July 1 and will introduce "extensive and meaningful" changes to rules which govern pretrial release. It is anticipated that this Order could have significant impact on inmate populations throughout Missouri, although the full extent of that impact in Greene County is not yet known. The County has been working with the judges of the 31st Judicial District to determine what the effect may be. A significant change in population could potentially impact the earlier-assessed needs for the size of the jail expansion and renovation.

2. Up to 334 new correction officers and staff and operations for the Justice Center.

Hiring of the Detention Officers needed to staff the jail expansion/renovation will be delayed until construction is near completion. However, in 2018 the Sheriff initiated a restructure of the Warrants/Records/CCW division of the Jail, with approval from the County Commission. This was proposed with the intent of dealing with the large warrants backlog facing the Jail and Sheriff's Office. Six Jail Clerk positions funded by GR I were transferred to GR II and reclassified as Detention Officers, and six additional Detention Officer positions were created to bring the total number of staff in the Warrants division to twelve, under the Jail command structure. The increase in headcount is part of the overall anticipated realignment and increase in staff anticipated with the changes in the Jail; these additions have been brought forward ahead of schedule so that they can begin working warrant backlogs. The new Warrants positions were not filled until the end of 2018/beginning of 2019, so no expense was incurred for 2018.

An important shift in inmate operations expense relates to the funding of reciprocity, which is the reimbursement to other counties for the holding of Greene County inmates. After discussions of the issue among members of Commission and other departments, a consensus of sentiment is held that because the intent of a substantial amount of the new GR II tax revenue was to fund the increase in County inmate population and associated expenses, the expense of reciprocity falls within the scope of intent of GR II funds.

In the fall of 2017, in order to meet some of the inmate space requirements, a temporary jail facility was leased and placed behind the current jail facility, and paid for from funds from the Law Enforcement Sales Tax II. Reciprocity, however, has historically been funded from GR I. In 2018, the County reciprocity expense of \$357,868.00 will be funded by GR II as part of its purpose to pay for additional inmate expenses. Budgeted reciprocity expense for 2019 is \$1.2 million. It is expected that reciprocity expense will be eliminated once the jail expansion/renovation is complete and Greene County can once again house all of its inmates.

3. Fund initiatives for environmental and storm water management.

In 2018, seven staff positions were funded out of GR II, including three Water Quality Specialists, a Storm Water Engineer, two Environmental Engineers, and an Environmental Compliance Manager. Salaries and benefits for this department totaled \$423,441.83. Operating costs including computer equipment, supplies, training, dues, and miscellaneous legal fees totaled \$16,643.26. There were also contract labor costs incurred in the amount of \$31,483.28 for property maintenance and clean-up at various locations around the County, and for fees related to water monitoring at Pearson Creek.

Engineering consulting fees in 2018 were \$76,055.11 and included the operation of a streamgauge on the South Dry Sac River for \$3,533.32, professional hydraulic modeling for \$3,806.25, and testing and analysis at the site of the former Springfield Laundry for \$68,715.54. This testing included groundwater sampling, development of monitoring wells, and wastewater testing and management. Code enforcement costs were \$14,307.15, and included legal and appraisal costs, asbestos inspections, and a significant demolition and cleanup for \$12,455.00 at 2435 W Farm Road 112.

Costs for support and maintenance at Riverbluff Cave and Museum were \$21,118.59, which included \$9,800.00 for the installation of a gate and entrance at the Museum. Community awareness costs totaled \$81,957.46. This amount included \$65,000.00 of annual funding support for the Watershed

Committee of the Ozarks in partnership with the City of Springfield and City Utilities, \$10,000.00 to Missouri State University for the Water Quality Education Program in Greene County, and \$5,000.00 for annual dues to the James River Basin Partnership.

Resource Management undertook several storm water projects in 2018, totaling \$658,787.31. Several of these were buyouts of properties in Greene County, and included other assorted items such as title fees and appraisal costs. Those projects included:

- 4176 S Farm Road 223 - \$185,779.80 (included buyout and structure demolition)
- 4450 E Farm Road 144 - \$47,663.95
- 4481 S Farm Road 193 - \$277,578.80
- 2530 W Vincent - \$122,936.60
- Drainage Maintenance (Waco Ave, Hidden Valley, Rosebriar St, Rivulet Pass) - \$18,916.41
- Other property appraisal fees (2506 W Vincent, 4336 E Farm Road 136) - \$700
- Watershed Planning & Prioritization – Sustainable Return on Investment hydrological studies conducted by HDR Engineering - \$5,211.75

Total expenditures for Resource Management in 2018 were \$1,323,793.99.

4. Community mental health programs to assist with the justice system.

There was no spending in 2018 for this project.

5. Staff and operations for the Prosecuting Attorney's Office.

The Prosecuting Attorney's Office was staffed by several new positions in 2018, paid for by General Revenue II. At the end of 2018, these 21 positions included: six Assistant Prosecuting Attorneys, two Major Crimes Investigators, five Paralegals, and eight Secretaries. Salaries and benefits for staff in 2018 amounted to \$534,278.27.

Operating costs, including supplies, legal books and publications, totaled \$9,359.69. Deposition and transcript costs were \$14,959.38. Computer equipment and office furnishings were also purchased for these new positions, in the amount of \$98,495.14.

There was also one Senior Assistant Prosecuting Attorney position funded from General Revenue II and assigned to the Drug Treatment Court. Costs for this position, including salaries, benefits, and its share of operational costs, are included under the best practice treatment programs project.

Total expenditures for the Prosecuting Attorney's Office in 2018 were \$657,272.48.

6. Establish best practice treatment programs such as Drug Treatment Court, DWI Court, Veterans' Court, etc.

Court wraparound services in the form of temporary housing and reimbursements to treatment centers began in August of 2018. Costs for housing paid for from General Revenue II totaled \$10,904.00, and were provided by the following organizations:

- New Beginning Sanctuary
- Clean Sweep Ministries
- Victory Mission
- Freeway Ministries
- Hope Homes of the Ozarks
- Recovery Chapel
- Higher Ground Recovery Center
- Life 360 Community Services

Treatment center costs included counseling, intervention, and pharmacy services, and in 2018 the total cost came to \$54,340.00. Treatment centers utilized by the drug court included:

- Preferred Family Healthcare
- Heartland Center for Behavioral Change
- Higher Ground Recovery Center
- Recovery Outreach Services

Together with a \$34 fee paid on behalf of a Drug Court participant, spending by the Court in GR II for best practice treatment programs was \$65,278.00.

Pretrial filled two RANT (Risk and Needs Assessment) screener positions in August 2018. Salaries and benefits for these positions were \$31,659.57. Operations costs, including supplies and training for the department totaled \$3,391.00, and capital purchases of computer and phone equipment for new staff was \$3,022.04. Total expenditures for Pretrial in 2018 were \$38,072.61.

From the Prosecuting Attorney's Office, a Senior Assistant Prosecuting Attorney was assigned to the Drug Treatment Court and funded from General Revenue II. Salaries and benefits, supplies, and equipment expense for this position totaled \$84,598.44 for 2018.

The total cost for all services related to treatment programs and early release was \$187,949.05.

7. Community trunked radio system for emergency communications.

There was no spending in 2018 for this project.

8. Juvenile courts building and detention facility.

There was no spending in 2018 for this project.

9. Community animal control facility.

10. Community animal control officer and equipment.

In 2018, Greene County made three payments of \$68,500.00 each, for a total of \$205,500.00, to the Springfield-Greene County Health Department as part of its obligation to fund animal control expenses.

Of this total, \$50,000.00 was earmarked for the planning of an animal shelter, \$100,000.00 was designated to cover a half-year of operating expenses for the staffing of an animal control officer, \$45,500.00 was paid for the purchase of animal control equipment, and \$10,000.00 was paid to cover bite services.

11. Community partnership law enforcement specialty units.

The Family Justice Center (FJC) is a specialty unit in which access to a number of services is consolidated for the benefit of victims of domestic violence. It is a partnership between the Prosecuting Attorney's Office and the Sheriff's Office, which share the expenses of the unit. Its official ribbon-cutting and grand opening were held on October 1, 2018.

The Prosecuting Attorney's Office staffs the FJC with a Project Coordinator and a Program Support Specialist. Salaries and benefits for these positions were \$38,920.47 in 2018. The FJC also contracts labor from The Victim Center and the Family Violence Center as clients come through the FJC seeking services. These costs totaled \$15,020.38 and \$15,068.95 for each organization, respectively. The FJC also incurred some initial strategic planning and consulting costs during the formation of the FJC with the Family Justice Center Alliance, as well as some legal establishment fees, totaling \$29,611.90. Operating expenses such as training, supplies, books, and publications came to \$17,586.28, and start-up costs in the form of space preparation and the purchase of computers, furniture, and other necessary items totaled \$64,920.09. In all, the Prosecuting Attorney's Office share of the FJC cost was \$181,128.07.

The Sheriff's Office staffs the FJC with one Sergeant assigned as a Domestic Violence Investigator. In 2018, salaries and benefits for this position were \$49,575.06. Equipment for this position, a vehicle and wireless MiFi capability, totaled \$28,538.35. Fuel and maintenance expense for the sergeant's vehicle in 2018 was \$1,161.17. The total Sheriff's Office cost of the FJC was \$79,274.58.

In total, the expenditures for the FJC in 2018 came to \$260,402.65.

In August 2018, the Sheriff's Office presented the County Commission with a proposal to use an anticipated increase in funds from the re-negotiation of the County's US Marshals Service contract to fund a second partnership law enforcement unit. In October, the Commission approved the creation of the Fugitive Apprehension Unit (FAU). The unit, considered a special unit of the Jail, will be staffed by six Corporals and one Sergeant from the Jail, and one Paralegal from the Prosecuting Attorney's Office.

The concept of the FAU arose from the need to clean up active warrant files. At the time of the unit's creation, there were approximately 15,000 warrant files, many outdated or no longer valid, cases which the Prosecuting Attorney's Office might no longer be interested in pursuing, suspects deceased or incarcerated, etc. The FAU's purpose is to work in conjunction with the Prosecuting Attorney's Office in clearing this warrants backlog. Another task for the FAU is to coordinate suspect apprehension with the Prosecuting Attorney's Office's preparedness for the cases against the suspects. It is hoped that this strategy will aid in reducing the overall incarceration time of inmates awaiting trial, and help with the overall inmate population problem.

In the spirit of the GR II resolution, the FAU would function similarly to the FJC in terms of concept as a partnership unit and in terms of budget size; however, receipts from the US Marshals Service which are normally deposited to General Revenue I would be transferred at year-end to cover the costs of the new unit, to the extent that they are not covered by any budget savings from FJC operations, and only to the extent of the FAU's budget. By agreement between the County Commission and the Sheriff at the time the unit was approved for formation, any cost overruns beyond the FAU's budget would be reimbursed to GR II from one of the Sheriff's discretionary funds. Thus, the overall effect is that while the FJC will function as a second partnership unit, the total cost to GR II for both the FJC and the FAU will be no more than the cost of one unit, as proposed in the original 102 Resolution.

Staffing of the FAU Sergeant and Corporal positions began in December. The Paralegal from the Prosecuting Attorney's Office is expected to be staffed in 2019. Total salaries and benefits of the Jail-based positions for the year totaled \$56,721.60, and costs for capital computer hardware and wireless access were \$24,669.96, for a total cost for the FAU of \$81,391.56. Since the budget savings of the FJC were in excess of this figure, there was no need to transfer US Marshals Service revenue to GR II from GR I for 2018.

Total partnership law enforcement unit costs for 2018 were \$341,794.21.

12. Outlying municipal projects.

The intention of this project of the GR II resolution was to feed funds back to the individual municipalities for their own project funding. The seven municipalities met and agreed among themselves that the annual allotment of funds would be shared equally among the seven, with two municipalities receiving a larger stipend each year on a rotating basis to fund a project that it might not normally otherwise be able to complete with a smaller funding level. In 2018, the recipients of the larger stipends were Battlefield and Walnut Grove. Each municipality was required to submit a proposal to Commission explaining their use of the funding.

The municipal projects and the amounts allotted to each municipality for 2018 were as follows:

- Ash Grove: \$14,285 – Security fencing around all city wells and city water towers.
- Battlefield: \$64,285 – Patrol vehicle, report-writing software, residential street crack sealing and surface overlay.
- Fair Grove: \$14,285 – City street repair and overlay.
- Republic: \$14,285 – Integrated financial software.
- Strafford: \$14,285 – New 70 horsepower track type skid steer loader for Public Works.
- Walnut Grove: \$64,285 – Sand filter upgrade at the wastewater treatment plant, and two police vehicles.
- Willard: \$14,285 – City comprehensive planning project and police vehicle program.

Total municipal project expenditures for 2018 were \$199,995.00

13. Support staff (Budget Office, Purchasing, Human Resources, Information Systems, Public Information Office).

- Budget Office: A Deputy Budget Officer position was added to the Budget Office, and staffed in June. Salaries and benefits totaled \$34,313.00. Additional operating costs, including supplies, computer hardware, furniture, and half the cost of a multi-function copier/scanner/printer shared with Purchasing totaled \$9,644.31, for a total department cost of \$43,957.31.
- Purchasing: One Buyer III position was added to Purchasing in June. The 2018 budget originally called for a Purchasing Supervisor. However, some reorganization of the department was done, and the needs for the new position changed. Salaries and benefits totaled \$32,046.18. Additional operating costs, including supplies and half the cost of a multi-function copier/scanner/printer shared with the Budget Office totaled \$7,798.78, for a total department cost of \$39,844.96.

- Human Resources: Payroll Coordinator and Benefits Assistant positions were added to Human Resources and filled in July and September, respectively. Total salaries and benefits were \$31,930.12. Additional operating costs including supplies, computer hardware, and furniture totaled \$6,417.50, for a total department cost of \$38,347.62.
- Information Systems: A Senior Network Engineer and a Senior Programming Analyst were budgeted position additions in Information Systems for 2018. The Engineer position was filled in June; in July, a request was approved by Commission to convert the Senior Network Engineer position into two Network Engineer positions which were then staffed in the same month. Salaries and benefits for these positions totaled \$90,522.35. Additional operating costs, including supplies, computer hardware, and furniture totaled \$9,359.58, for a total department cost of \$99,881.93.
- Public Information Office: A part-time Public Information Officer position was entered into the 2018 budget. However, a full-time PIO was instead funded out of GR I, so this department had no expense for 2018.
- In addition to these expenditures, there were other minor costs that were categorized as general support costs. There was a general liability charge of \$295.00 in non-departmental costs, attributable to the vehicle used by the FJC Domestic Violence Investigator. There were mobile communication charges of \$640.00 also in non-departmental costs, attributable to cell phone allocations for the FAU, the Budget Office, and Pretrial. There was a charge of \$1,171.16 to cover the cost of furniture for the two incoming Commissioners. There was also an expense of \$21.84 as part of an overall worker's compensation final payment which had been based upon the original budgeted salaries of the GR II positions. The total of these additional costs was \$2,128.00.

The grand total of all support staff costs in 2018 was \$224,159.82.

14. Courts renovation.

The only project for the Judicial Courts Facility in 2018 was countertop replacement work performed for the Circuit Clerk's office. The total cost to GR II for this work was the budgeted amount of \$32,000.00.

15. Building maintenance and staffing.

Historic Courthouse Projects: The Historic Courthouse underwent tuck-pointing in 2018, at an expense of \$125,000.00. An icemaker was also purchased for use in the HCH breakroom for \$2,317.20.

Jail Projects: Projects budgeted in 2018 for which expenditures were incurred included repair of the tower elevator and replacement of the main condensing boiler. There were also two sets of unexpected expenditures.

The elevator repair project was divided into two parts. The first part of the project was devoted to the installation of hydraulic pumps for the elevator, and the second was for the replacement of elevator controls. In total, the elevator project received \$147,337.25 in expenditures and encumbrances for the year, and it is expected to be completed in 2019. The boiler replacement project received \$88,617.00 in expenditures and encumbrances, which included the cost of the boiler itself. The project is expected to be completed with final installation in 2019.

Of the unexpected expenditures in 2018, one was the replacement of a bakery oven. It was determined that this replacement would ultimately be used in the jail renovation/expansion upon completion, so it will be included in those project costs. Indirect costs incurred in 2018 for this project by Building Operations totaled \$7,232.50, which were for the additional construction work necessary in order to fit the larger-sized oven into the kitchen area. The other expenditure was for the repair and rebuilding of several jail lavatories, which totaled \$1,246.63 in parts and supplies.

Total expenditures and encumbrances for Jail projects in 2018 was \$256,033.38.

The total expenditures for Building Operations projects were \$371,750.58.

16. Equipment replacement.

Equipment replacements across Greene County for 2018 are broken down as follows:

- Jail:
 - Tilt skillet for Jail kitchen - \$17,600.00.
- County Clerk:
 - GR II portion of expenditures for new voting equipment and software - \$57,500.00.
- Medical Examiner:
 - Assorted lab equipment and supplies - \$17,845.12.
 - Capital purchases, including autopsy cameras and a hydraulic autopsy carrier - \$30,266.72.
- Information Systems:
 - Telecommunications licenses and telephone replacements - \$60,867.65.
 - Operational replacements:
 - Disk storage, rack servers, and firewall - \$106,267.81.
 - Campus camera security - \$1,418.82.
 - Laptop, desktop, and other portable replacements - \$201,071.80.
- Building Operations:
 - Assorted supplies and tools - \$9,186.75.

Total equipment replacement expenditures for 2018 were \$502,024.67.

17. Demolition and parking lot construction.

There were two real property improvement projects funded by transfers from GR II in 2018 directly related to demolition and parking lot construction.

The first project was the demolition of buildings in the 900 block of North Boonville Avenue. These were the previous locations of the Public Administrator and the Greene County Youth Academy. The Public Administrator relocated to the 10th floor of the Cox Tower, and the GCYA moved into the Administrative Building which once housed the Greene County Commission, Budget Office, Purchasing, and the County Administrator, all of which are now located on the 10th floor of Cox Tower.

Actual demolition costs were \$99,500.00. Asbestos was found in the structure during demolition, so additional expenses were incurred to allow for its proper removal and disposal, in the amount of \$36,088.63. Other expenditures related to the project such as utility retirement, removal of

copper lines, and hauling fees were \$13,807.35, for a grand total of \$149,395.98. The space formerly occupied by these buildings is now being used as additional parking for the County campus.

The second project was the acquisition of the property located at 1107 North Boonville Avenue, which was previously the location of Wright's Auto Works. The building sitting upon this property will be used as temporary evidence storage for the Sheriff's Office until a permanent storage site is determined, which will ultimately depend on the final plans for the jail renovation/expansion and the subsequent move by the Sheriff's Office out of the Judicial Courts Facility. It was also planned that an adjoining garage and office would be used as construction staging and storage, and as an office for the construction manager for the Operations Center and/or the jail renovation/expansion if necessary. Ultimately, once a permanent home is found for evidence storage and its use as construction staging is no longer required, the property will be converted to additional parking for the County campus.

The property was purchased for \$310,000.00. \$7,543.08 was incurred for miscellaneous expenses such as appraisal and closing costs, drainage improvement, and asbestos abatement. Expenses for remodeling and preparation of the building for use as evidence storage were \$46,138.73, with \$2,246.80 of that paid directly from funds other than GR II and a supplemental transfer of \$21,657.78 from Sheriff's Fee Fund 241. The grand total to be funded by GR II via an end-of-year transfer from GR II is \$340,111.58.

Total transfers from GR II to fund both of these projects was \$489,507.56. For 2019, another \$150,000 has been budgeted for transfers from GR II to cover any further campus acquisitions and/or renovations.

18. Utilities.

Although there was no utilities budget for GR II in 2018, expense was incurred at the Wright's Auto Works property after its acquisition for site preparation purposes, and for it to begin serving in its temporary capacity as evidence storage. This expense for this in 2018 was \$2,111.53.

19. Restricted reserve to ensure positive bond rating.

In 2018, GR II assumed a portion of GR I's balance of the overall General Revenue cash reserve, and added another \$5.8 million to this amount for a total reserve balance of \$7.2 million in GR II. In addition, \$288,000.00 was added to a special 27th pay period cash reserve as part of an annual and ongoing buildup of available funds for years when this event occurs. One more significant addition to restricted cash reserves of \$4.9 million will occur in 2019. Beginning in 2020, further additions will be substantially smaller, with annual additions of approximately \$250,000 per year.

Greene County Operations Center

Planning and development of the Greene County Operations Center began in mid-2018. By the end of the year, ground had been broken and concrete footings for the building had been poured. The estimated completion date is currently August of 2019.

Architect fees on the project through 2018 have been \$165,738.73, with the total fee to be 5.5% of the estimated \$4 million cost, or \$220,000. Costs for surveying, testing, and legal fees were \$11,619.30. Construction costs in 2018 for items such as the construction bond, submittal exchange,

general conditions, and elevator service were \$174,522.30. Site work involving drainage preparation, soil mixture, and excavation for the building footings amounted to \$188,419.50.

The total project balance as of the end of 2018 was \$540,299.83. Bond draws totaling \$303,086.16 were made to cover 2018 costs, and a transfer from GR II for \$237,213.67 will cover the remainder of the 2018 expenditures. The 2018 budget called for a GR II transfer of \$260,000.

For 2019, the budget calls for \$4,500,000 in transfers from the bond fund to cover project costs, and another \$240,000 has been budgeted as a direct transfer from GR II to cover capital purchases and equipment to furnish the Operations Center.
