Discussion

Snow is expected to progress north to south Friday morning with periods of moderate to heavy snow showers throughout the day. A total accumulation of 1" to 2" is expected with higher amounts up to 3" possible over central Missouri. Wind gusts may be as high as 45 mph. Slushy snow accumulations are possible on roads.

Travel Issues

- Snow is expected between 6:00 am to 9:00 pm Friday.
- Areas Impacted: Mainly along and north of US Highway 60 and east of Interstate 49
- Impacts: Slippery roads during the Friday commute
- Total snow accumulation for the event is expected to be approximately 1-2 inches.

Preparedness Considerations

Consider a winter storm kit for your car. Winterize your vehicle. Pay close attention to upcoming weather information. Watch for social media posts from OEM and affiliated partners.

Emergency Management Issues

- Springfield-Greene County EOC is currently at OpCon **Level 3: Monitoring**
- OEM will continue to monitor this developing weather situation. Partners should continue to monitor as well.
