

WINTER STORM HAZARD REPORT

Springfield-Greene County Office of Emergency Management

Emergency Operations Center Partner Agencies
02/09/2021 – 1500

Watches and Warnings

A **Winter Weather Advisory** is in effect from 1800 02/09-0600 02/10.

Hazards	02/09-02/10
Ice Accumulation	ELEVATED
Excessive Cold	LIMITED
Snow/Sleet	LIMITED

Discussion

Freezing drizzle expected. A mix of light snow and freezing drizzle is expected over northern portions of the area. A dusting of snow and ice accumulations of up to a tenth of an inch are expected.

Unseasonable cold is expected for several days with the coldest temperatures late this week into the weekend. Low temperatures could fall into the single digits at times, especially Thursday and Friday nights. Low temperatures near or just below zero are possible Saturday night. Wind chill values will be well below zero at times.

Travel Issues

- Areas Impacted: Portions of south central and southwest Missouri
- Impacts: Difficult travel conditions are possible impacting evening and morning commutes.
- Total ice accumulations of up to one tenth of an inch is possible.

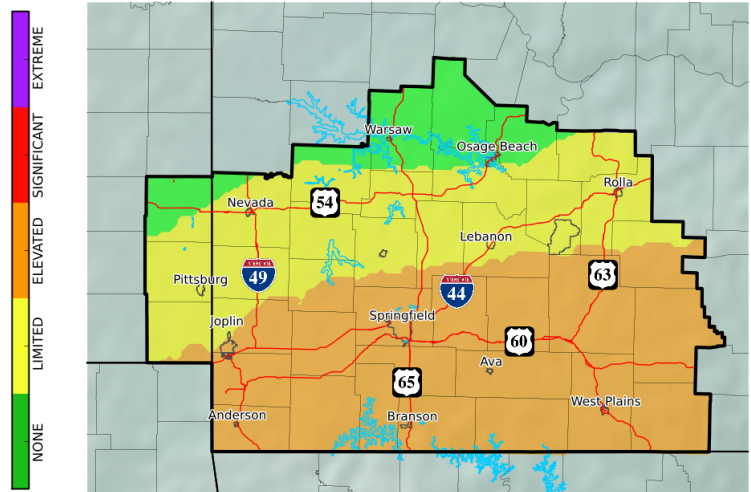

Preparedness Considerations

Consider a winter storm kit for your car. Winterize your vehicle. Pay close attention to upcoming weather information. Watch for social media posts from OEM and affiliated partners. **Slow down and use caution while traveling. Prepare for possible power outages.**

Emergency Management Issues

- Springfield-Greene County EOC is currently at OpCon **Level 3: Monitoring** for this event
- OEM will continue to monitor this developing weather situation. Partners should continue to monitor as well.
