

# WINTER STORM HAZARD REPORT

Springfield-Greene County  
Office of Emergency Management

## Emergency Operations Center Partner Agencies

03/10/2022 – 1700

## Watches and Warnings

Winter Weather Advisory (0300 – 1800 Friday)

Hazards	03/10	03/11
Excessive Cold	(NONE)	LIMITED
Snow/Sleet	LIMITED	ELEVATED

## Discussion

1. Winter Weather Advisory Tonight through Friday. Some travel impacts are expected.
2. Widespread snowfall amounts ranging from a dusting to 3 inches with pockets of 4 inches possible northwest of Interstate 44. Highest amounts expected north of I-44 with slightly lesser amounts southeast of I-44. However, with snow mainly occurring during the daytime hours, the high sun angle could limit accumulations.
3. Bitterly cold temperatures for Friday night into Saturday morning.
4. Much warmer next week.

## Travel Issues

- Roads, and especially bridges and overpasses, will likely remain slick and hazardous. Plan on slippery road conditions. The hazardous conditions could impact the Friday morning and evening commutes.
- Unseasonably cold temps will occur Friday-Saturday morning.
- Slick spots will be possible mainly on elevated surfaces
- If you must travel, keep an extra flashlight, food, and water in your vehicle in case of an emergency.

**Call for Road Conditions: 1-888-275-6636**

## Preparedness Considerations

Consider a winter storm kit for your car. Winterize your vehicle. Pay close attention to upcoming weather information. Watch for social media posts from OEM and affiliated partners.

## Emergency Management Issues

- Springfield-Greene County EOC is currently at:
  - OpCon **Level 4: Monitoring**
- OEM will continue to monitor this developing weather situation. Partners should continue to monitor as well.
