

## **Greene County Nonprofit Application Criteria**

### **Nonprofit projects must consist of the following:**

- The organization's proposal must address a community need as part of economic recovery from the Covid-19 Pandemic.
- The organization's proposal must be consistent with the Greene County ARPA Needs Assessment Report.
- The organization must have experienced impact from the pandemic in terms of revenue decline, increased requests for service, or for other documented impacts.
- The organization must complete a board certification form.
- The organization must provide annual report of agency's project activities.
- The organization must have a physical presence in Greene County, Missouri and provide services for Greene County residents.
  - If organization's primary office is located outside of Greene County, grant dollars may only be requested for work completed in Greene County for Greene County residents.
- The organization must have existed in Greene County, Missouri as of March 3, 2021.
- The organization must have maintained without revocation nonprofit status with a ruling date at or before March 3, 2021.
- The organization must demonstrate the existence of negative impacts incurred as a result of the COVID-19 public health emergency since March 3, 2021.

- If an organization is hoping to use Greene County ARPA funds to meet a federal or state match, the Commission will consider raising the award amount above the tier limits.
- Agencies are encouraged to apply in only one of the Funding Tiers.
