The County used federal ARPA guidelines to determine award eligibility. Additionally, the County set up an online application process where businesses had to demonstrate the impact of the COVID-19 pandemic and provide supporting documentation.

Awards were also adjusted considering the size of the business and if it received additional pandemic funds. Finally, applications were reviewed by the ARPA Advisory Committee which was established on Jan. 19, 2022.

The Greene County Commission and ARPA team focused on small businesses with 50 employees or less for awards in the first round of funding. The average number of employees was 7.7.

“The Commission believes that our small businesses are the foundation of our community’s economy,” said Presiding Commissioner Bob Dixon. “They employ our citizens and pay taxes which fund vital services. It made sense to make small business relief a cornerstone of our recovery efforts.”

Federal ARPA funds are designed to support local economic recovery efforts from the COVID-19 pandemic. Greene County has received a total of \$56.9 million in ARPA funds.

The application period for nonprofits to apply for ARPA funds closed Sept. 14, 2022.

All Greene County ARPA funds must be allocated by Dec. 31, 2024. All projects funded by the County must be completed by Dec. 31, 2026.
