

A close-up photograph of a brown basketball with black lines, resting on a light-colored wooden basketball court floor. The ball is positioned on the left side of the frame, and a black line from the court's key is visible in the foreground. The background is dark, creating a strong contrast with the ball and the floor.

And This is What We Get

**2016 Polar Plunge Results:** The first ever Springfield Polar Plunge for Special Olympics Missouri held on Jan. 30 at the Ski Shack with a 'Superhero' theme was a success! There were over 170 plungers who enjoyed the 70 degree weather but braved the 42 degree water. The event was hosted by the Springfield Police Department and the Missouri State Highway Patrol. The Springfield Police Department led the plungers and was awarded First Place for most money raised - nearly \$4,000. The 'SPD Kids' group achieved First Place as well in their category for raising nearly \$2,000. Additional teams included the Springfield-Greene County 911 Emergency Communications Department who raised nearly \$1,000 to benefit Special Olympics. The Springfield Polar Plunge raised over \$36,000 to support the athletes of Special Olympics Missouri who compete year round in many different sports! Thanks to everyone involved in helping make this event a huge success, including the volunteers from 911 who helped process registration throughout the day!
