MERRY
CHRISTMAS

The image features the words "MERRY CHRISTMAS" in a bold, red, serif font. The letters are arranged in two lines: "MERRY" on top and "CHRISTMAS" below. The letter 'C' in "CHRISTMAS" is significantly larger than the other letters. Two light gray snowflake icons are placed inside the letters: one inside the 'C' and another inside the 'Y' of "MERRY". The entire graphic is set against a white background with a thin blue border at the top and bottom.
