

Happy Holidays from the Greene County Senior Citizens' Services Fund Board

The Greene County Senior Citizens' Services Fund Board would like to thank all of the seniors in our community who serve to others all year long. Because of their dedicated service, many lives are positively impacted and our community is stronger. Board Member Steve Short created this poem (along with a little help from AI) to recognize and thank those who serve and wish the community Happy Holidays!

In Greene County, where the hills meet the sky,
A group of seniors serve with hearts full of try
Their service to others, a shining light,
Bringing joy and hope, banishing plight.

With kindness and grace, they lend a hand,
To those in need, they understand,
Their compassion and love, never fade,
A true community, forever displayed.

From meals on wheels, to medical aid,
They help their neighbors, without dread or shame,
Their selfless deeds, bring peace of mind,
And make our community, one of a kind.

So let us celebrate, those noble souls,
Who give and give, with no expectations whole,
For they know that serving others is the key,
To a life well lived, and a heart full of glee.
