

Greene County Senior Citizen’s Services Fund Board Chair Chuck Marinec presented at the Greene County Huddle on April 16, 2024. The Greene County Huddle is an opportunity for Greene County employees and the public to meet weekly to learn about current happenings in different county offices. Each week, different offices are featured and community agencies are often highlighted as well.

Mr. Marinec explained how the board was developed, how it is funded, and discussed how the funds collected through the levy are distributed to local agencies to help seniors in Greene County.

The presentation can be viewed in it’s entirety by going to the following site:
