Dear Senior Citizen Property Tax Credit Applicant:

Please retain this copy of your application. Once certified by the Senior Tax Credit staff member on this page, it serves as your official notice of the status of your application. Annual renewal is required between January 2nd and June 30th. This is not an exemption. If you are approved, you will not see any savings in your first year as your approval year establishes the 'base' year to which future taxes are set to be 'frozen'. Future capital improvements to your property will result in those improvements being assessed and taxed in the year in which they occur separately from your frozen amount.
