Greene County 2025 personal property and real estate taxes

SPRINGFIELD, Mo. – 2025 Greene County personal property and real estate tax statements are now available online for review and payment at www.CountyCollector.com.

There are four ways to pay the tax bill:

- Online at www.CountyCollector.com
- Bank check with a USPS postmark of Dec. 31, 2025 or earlier to avoid penalties
- In person in room 109 of the Greene County Historic Courthouse
- By phone at 888-523-0054

Taxpayers can find their unique Tax ID number and PIN by clicking on the green ‘Statements and Receipts’ button in the upper left corner of www.CountyCollector.com, or on a mailed statement at their home address.

For personal property tax accounts, the county Collector’s Office will send reminders to every email address on file which contains the tax amount due for 2025 and a citizen’s Tax ID number and PIN.

Tax statements will show all listed personal property and real estate assets, for example a vehicle and a home. The statement will additionally show how much tax is owed by Dec. 31, 2025.

If a taxpayer cannot find an online personal property or real estate tax statement for 2025, or has a question about the tax amount, they will need to contact the Greene County Assessor's Office, at 417-868-4101 or email assessoronline@greencountymo.gov.

Senior Tax Credit

The Collector's Office is also announcing updates to the Senior Tax Credit Program, which provides a credit on real estate taxes for eligible senior homeowners. The most significant change from prior years is that annual renewal is no longer required to maintain eligibility. Once approved, participants do not need to complete a form this year or in future years so long as there have been no changes in ownership or occupancy.

If a change does occur, participants should submit a [Self-Report Form](#) available on the Collector's website. In situations where the Collector's Office cannot verify continued eligibility, an Audit Request form will be mailed. Recipients must return the audit within 45 days and in some cases, include supporting documents.

Open enrollment for first time applicants runs each year from January 2 through June 30. Enrolled participants with delinquent real estate taxes as of June 30 of any year will be removed from the Senior Tax Credit Program. The June 30 date only applies to determine continued eligibility for current participants and does not change tax due dates. The department that manages this credit is now located in Room 24 of the County's Historic Courthouse and is only open during the open enrollment period.

Personal property and real estate taxes remain due on December 31 each year, and payments postmarked after December 31 will incur interest and penalties regardless of enrollment in the Senior Tax Credit Program.

Paying Your Taxes

Taxpayers can pay both personal property and real estate taxes at the same time, as well as any late taxes from previous years. If more than one bill is due, the oldest must be paid before any others.

When paying online, there are no fees for using e-Check with a bank account number, but there's a 2% fee for credit cards and a 1.5% fee for debit cards.

When paying by phone, there's a 2% fee for any card and the service can only be used if all outstanding taxes have already been paid.

All personal property and real estate taxes must be paid before midnight on Dec. 31, 2025. Late payments will incur a 9% penalty and 2% interest charge.

Taxpayers can also pay their taxes by mail or in person at the Greene County Collector's Office located in Room 109 of the Historic Courthouse located at 940 N Boonville Ave in Springfield. A drop box is available in the hallway during regular business hours through December 31.

The last day to pay in person is 4:30 p.m. on Wednesday, Dec. 31, 2025.

If by mail, the envelope must be postmarked by Dec. 31, 2025 or else the payment will be considered late.

However, the easiest and most efficient way to pay county taxes is online at www.CountyCollector.com. There are no lines, no need for stamps and envelopes, and taxpayers will get an instant payment receipt.

Property tax revenue pays for entities like schools, roads, bridges, libraries, firefighters, and more. Your annual tax statement will have a breakdown of where the money goes and each taxing district's tax levy.
