Greene County Clerk's Office Seeks Election Judges for November 3rd General Election

Springfield, MO - The Greene County Clerk's Office is seeking community-minded individuals to serve as Republican and Democratic election judges for the **November 3, 2026, General Election**.

Election judges play an essential role in ensuring Election Day runs smoothly and that every eligible voter has the opportunity to cast a ballot. Judges assist voters at polling locations, help with voter check-in and election equipment, and work as part of a bipartisan team to carry out Election Day procedures accurately and responsibly.

"Election judges are the backbone of Election Day," said Greene County Clerk Shane Schoeller. "Serving as an election judge is a great way to get involved in your community, learn more about how elections are conducted, and help ensure Greene County voters have a positive experience at the polls."

Election judges are **paid for their service**, and training is provided by the Greene County Clerk's Office prior to Election Day. No previous election experience is necessary.

Election Judge Qualifications

Under Missouri law, election judges must meet certain qualifications:

- Be a **registered voter in the State of Missouri**;
- Be a **person of good repute and character**;
- Be able to **speak, read and write the English language**;
- Not serve at a polling place where the judge's name or the name of a **relative** appears on the ballot; and
- Not hold **elected public office** while serving as an election judge.

The Clerk's Office encourages individuals who meet the qualifications to consider serving. Whether someone has worked elections for years or is interested in participating for the first time, additional election judges are needed to help serve at polling locations throughout Greene County.
