Informational Items

Resource Management—Kevin Barnes

Kevin Barnes, Resource Management Director, reported there are approximately six cases to be heard at the next Commission court session. Mr. Barnes will explore other locations due to larger attendance anticipated for this meeting.

Mr. Barnes stated the Building Operations Department has begun repair to settling concrete slabs on the southeast side of the Historic Courthouse. A future project at the Historic Courthouse is the retaining wall. Mr. Barnes updated the Commission on the Historic Courthouse roof project. There was a discussion of maintenance to campus steps and railings.

Mr. Barnes gave the Commission an update on the Cox Tower Building project. The contractors are working on windows on the seventh and eighth floors. Mr. Barnes stated there is a target date of November 2016 for the Prosecuting Attorney's office move.

Mr. Barnes reported the Judicial Courthouse additional carpet installation is finished and the sprinkler system installation is close to completion.

Chris Coulter

Mr. Coulter reminded Commissioner Cirtin of the meeting at Springfield Public Schools on Monday, September 26, 2016.

Jennifer McClure

Ms. McClure gave the Commission a media update.

Other Items

No other items were brought before the Commission.

Commissioner Cirtin adjourned.
