Informational Items

Budget Office—Jeff Scott

Budget Officer Jeff Scott presented the Commission with an internal letter regarding the per diem rate for incremental costs estimated with the addition of more inmates to the system. There was a discussion of expenses for inmate housing and wording of the letter. There was also a brief discussion of insurance expense regarding vehicle accidents. The discussion also included estimated mileage.

Mr. Scott reported that a letter had been received from the Health Department regarding budget cuts. Mr. Scott explained the spending levels with the Health Department.

Deputy Budget Officer Tina Phillips stated the Historic Courthouse Roof has been completed with final inspection to take place this week. Ms. Phillips will be meeting with Resource Director Kevin Barnes regarding the financials which will be due by December 31, 2016.

Human Resources—Camille Knowles

Ms. Knowles reported that open enrollment to make any changes to supplemental life insurance will take place the second week of December 2016.

Ms. Knowles has made an inquiry regarding health care rates.

Ms. Knowles stated the exempt/non-exempt law that was to go through legislation has been delayed and will not take effect on December 1, 2016. It was reported that some employers have already made changes and it was Ms. Knowles suggestion that the county wait until the law actually changes since the county has not yet moved forward with changes to employee salaries. This action would prevent the county needing to make adjustments later. The Commissioners had not yet voted to make the changes prior to the delay and now agree to wait until the law becomes effective in the event legislation dictates that action.

Ms. Knowles informed the Commission that the Health Care Risk Assessments for employees will take place February 2017, with Mercy Health Care. Human Resources is working with Cox Health Systems to select a date for their assessments.

Ms. Knowles indicated the Salvation Army will contact Greene County Human Resources for volunteers at the Red Kettles for the Christmas fundraiser.

Chris Coulter

Mr. Coulter reminded the Commission of the mediation meeting at the Chamber today at 12:00 noon. Material is being prepared to take to this meeting. There was a brief discussion of the agenda for today's meeting.
