Daily Briefing August 01, 2017  
Greene County Commission Office  
9:00 a.m.

**Present:** Tina Phillips, Kate Morris, Chris Coulter, Trysta Herzog, Bob Cirtin, Harold Bengsch, Cindy Stein, and Lincoln Hough.

A Memorandum of Understanding with Community Foundation of Rogersville was on the agenda, but postponed to August 2, at 10 a.m.

Commissioners Hough recommended to cancel the lease with MoDOT and not purchase the Sutherland Property. There was a discussion about alternative space for evidence storage for the Sheriff's Office. If the lease is ended immediately, it would result in the county getting back approximately \$83,333. Hough said he would not vote to purchase the property.

Commissioner Hough made a motion to terminate the lease on the Sutherland Property with MoDot and recoup the \$83,333 it would cost to continue to lease the property. Commissioner Bengsch seconded the motion, in light of the projected cost of the temporary jail. The motion passed 2 to 1.
