Daily Briefing

December 05, 2017

Greene County Commission Office

9:00 a.m.

Present: Mailyn Jeffries, Kate Morris, Chris Coulter, Jeff Scott, Trysta Herzog, Chris Mericle, Bob Cirtin, Harold Bengsch, and Lincoln Hough.

Mailyn Jeffries told the Commission that a new court administrator has been hired. Her name is Kylie Young and she has worked with OSCA for many years. Jeffries said interviews for medical examiners start next week. She also noted that there was a 20 percent increase in life insurance enrollments this year.

Jeff Scott said sales tax for the month is not in yet, although it usually comes in by the third day of the month. He said the Budget Office is currently working on budget changes and budget discussion meetings.

Chris Mericle presented a single source vendor purchase request from the Greene County Sheriff's Office for a MILO Range. He said the required advertising has been met for this \$25,000 purchase of FAAC simulation equipment (firearms/weapons/etc. training) and the Sheriff is paying for it out of his discretionary account. It was noticed that there isn't yet a purchase order made, and what records indicated so far in Eden is that the purchase is actually marked for a General Revenue line. Commission chose not to sign to approve the purchase until more discussion has been had with the Sheriff as to the funding source.

Meeting adjourned.
