Jeff Scott-Budget Office

Informed the Commission that he is currently creating an application to present to the Municipal Tax Board on Thursday, which would stream line the process of asking for funding. Mr. Scott also asked the Commission if they wanted Rogersville included in the Municipality Tax Board since there was only 350 people technically in the county. Since there is such a small portion of Rogersville in Greene County and most of it is in subdivisions it was decided to leave Rogersville out.
