

Greene County Commission Briefing
Commission Office, 1443 N. Robberson
February 6, 2018
9 a.m.

Present: Tina Phillips, Jeff Scott, Kate Morris, Dan Patterson, Dave Johnson, Jim Arnott, Bob Cirtin, Cindy Stein, Mailyn Jeffries, and Phil Corcoran.

Since Harold Bengsch and Lincoln Hough had not yet arrived, the agenda was tended in reverse, with department updates going before possible action items.

Human Resources Director Mailyn Jeffries gave a department update. She stated an issue with an automatic email from CIGNA to the wrong employees was resolved. Also, the HR department was working on changing health insurance enrollment assessments.

Budget Officer Jeff Scott provided a sales tax analysis. He said the rolling average lines have crossed and that now the Commission can probably expect to see sales tax growth on an increasing basis.

Commissioners Bengsch and Hough did not arrive to the meeting, so the agenda item to discuss and possibly vote on the communications director position and the agenda item for approval of budget transfers were tabled.

Meeting adjourned.
