Larry Woods Director of OEM gave a handout to the Commission called Organization Structure Proposal (Exhibit 6) Woods explained that recently OEM has changed the job descriptions of many titles within OEM and how Woods and Robin Sawyer office manager of OEM researched liked positions within the county as well as like positions in the industry. OEM is looking to increase some salaries within the office to be competitive with other like positions. Sawyer explained to the Commission how the salary increase will be compensated. Commissioner Cirtin explained to both Sawyer and Woods that before Commission is able to take a vote the

proposal needed to go through the salary committee. Cirtin went on to explain that all salary restructure requests must go through the committee to keep the process fair.

With no other business the meeting was adjourned by Cirtin.
