**COUNTY COMMISSION**  
**Greene County, Missouri**  
**(417) 868-4112**

February 14, 2022

Department of Economic Development  
Truman State Office Building  
301 West High Street, Room 770  
Jefferson City, MO 65101

To Whom It May Concern,

It is with great pleasure that the Greene County Commission unanimously recommends I Pour Life, a Springfield, Greene County based non-profit, for the Missouri Department of Economic Development's 2022 Youth Opportunities Program (YOP). The LifeStrengths project outlined in I Pour Life's accompanying application does not interfere with any existing County plans, ordinances, or other ongoing effort.

I Pour Life provides a positive youth development program, which serves at-risk and foster care youth, ages 15-24, to self-sufficiency and independence from outside aid and governmental support through one-on-one, intensive, holistic life coaching. This development model is a much-needed resource in our local community and will undoubtedly have a large impact on an underserved population. I Pour Life's innovative and unique approach will ultimately save money for Missouri taxpayers by empowering youth currently on support programs to further their education, get jobs, and earn an income. I Pour Life's services has positively impacted the Greene County community in the five short years the program has been implemented and this Commission looks forward to what is to come in 2022 with the added support of the 2022 Youth Opportunities Program.

In closing, we, the Commission of Greene County, Missouri, do give our highest recommendation for I Pour life as a 2022 recipient of the Youth Opportunities Program and are honored to serve the community it works in.

Sincerely,

  
Bob Dixon  
Presiding Commissioner
