A total of \$760,034.75 was awarded to businesses in this first group of funding. More applications that were submitted are still being reviewed and will be awarded in the future. The first-round application period was open for six weeks from April 20 to May 31, 2022.

Awards were calculated according to federal ARPA requirements and guidelines, plus a consideration if the business received additional pandemic funds.

The Greene County Commission and ARPA team focused on small businesses with 50 employees or less for this group of awards in the first round of funding. The average number of employees was 10.

NEED QUOTE FROM COMMISSIONERS? ARPA TEAM?

Federal ARPA funds are designed to support local economic recovery efforts from the COVID-19 pandemic. Greene County has received a total of \$56.9 million in ARPA funds.

Due to the large number of applications this cycle, the County Commission is currently reevaluating how many future rounds of funding will be needed. Approximately \$8 million dollars has been allocated for small business ARPA applications.

For more information on ARPA small business applications and any future updates, please visit this website: arp.greenecountymo.gov.

Nonprofit applications are still being developed and will open soon.

All Greene County ARPA funds must be allocated by Dec. 31, 2024. All projects funded by the County must be completed by Dec. 31, 2026.

###

Greene County is the State of Missouri's fourth most populous county, serving approximately 295,000 people. Its mission is to provide all citizens of Greene County, including those in its cities, a safe and thriving community through excellent customer service, unparalleled dedication, and the efficient use of taxpayer dollars. The Greene County Commission is the executive body of Greene County operating under guidelines established in the Revised Statutes of the State of Missouri. Within that authority the Commission enacts ordinances, resolutions and policies, supervises the activities of county departments, fixes salaries, adopts the annual budget, provides for construction and other services, and conducts hearings on planning and zoning matters.

Notes and explanations: Many of these computers were kept in storage as potential back up computers in the event folks were needed to be sent home due to COVID. After several waves of COVID, none were utilized. These models are all out of warranty (older than 4 years) and will not be used again. By clearing out inventory, we can better utilize the space they were occupying and get some value out of these items while they still have value. All computers will have hard drives removed. Tablets have been wiped and will not be sent with power supplies.
