Subject: MoDOT Workzone Program Orders for Thursday Commission Meeting

Good Afternoon,

Could I also have another spot on Thursday's commission meeting for the Workzone Program Orders for MoDOT? Below are some keypoints:

- Recurring Funds provided by MoDOT
- Reserved for when Deputies are requested to assist in highway construction areas
- Program orders overlap, these two are for rural and urban for July 1st 2023-December 31st 2024
- Both forms need to be signed on the backs by just the presiding commissioner on the right side under "County of Greene"
- these are in the amounts of \$5,000 a piece but are necessarily used if no construction assistance is requested

I am interoffice mailing these two to you, if you don't receive them by Wednesday please let me know.

Thank you!

Dear Ms. Hughes:

Enclosed are two separate **Work Zone Program Orders** between the Missouri Highways and Transportation Commission (MHTC) and your agency for enforcement to be conducted in designated Missouri Department of Transportation (MoDOT) work zones.

A Work Zone Enforcement Program Agreement is on file with the MHTC and is valid for the award years 2021-2025. The award years establishes a lengthier term agreement so that the agreement and an ordinance will only need to be passed every five years.

The **Work Zone Program Orders** are for **Program Order Number GWZER01Z** in the contract amount of \$5,000.00 and **Program Order Number GWZES01Z** in the contract amount of \$5,000.00 with the effective date of July 1, 2023 thru December 31, 2024.

Please have the appropriate authorizing official (Presiding Commissioner) **sign and date the Work Zone Program Order** and return the completed original signed document to the MoDOT Highway Safety and Traffic Division, PO Box 270, Jefferson City, MO 65102.

Once the Work Zone Program Orders have been fully executed by MHTC, one original copy will be returned to your agency and your agency may begin work.

If you have any questions about the process, please call me at 573-522-1341.

Sincerely,

Scott Jones
Highway Safety Program Administrator
