Notes and explanations: Trailer was replaced by a new one funded by a grant.

This trailer was donated by the City of Springfield to OEM. We then re-purposed it for our Community Emergency Response Team (CERT) for their needs. For over 10 years this trailer was used for training activities before being replaced due to the window needing to be fixed, and the cost was not worth it for Greene County. We were able to replace this trailer under a grant dedicated to CERT. We now want to transfer/donate this trailer to Webster County CERT who is willing to repair it and it will better assist them in their needs. This move will improve our regional CERT capabilities. The holder of the trailer will be Webster County OEM.
