SELECTION QUALIFICATIONS**

February 17, 2026

Greene County is seeking firms to provide professional engineering and design service for upcoming county projects. To be eligible for consideration for projects with the Greene County Highway Department, consultants must be on the Local Public Agency (LPA) consultant on-call list as outlined on the website. This requirement applies to all projects, regardless of the type of funding used. If federal funds are utilized for the professional services the requirements in the EPG 136.4 will be followed. Professional services are defined under the federal law, the Brooks Act, 40 USC 1102.

The LPA On-Call Consultant List is created through a selection process that is administered by MoDOT and quality assurance provided by Missouri ACEC and Missouri FHWA. MoDOT, together with Missouri's Local Program Advisory Panel, manage the consultant review and selections. This process of selection is not mandatory and a Request for Qualifications selection process can be used at any time, project dependent.

Thank you for taking the time and effort to submit your firm's qualifications and experience to the LPA consultant On-Call List.
