#### Items for Consideration and Action by the Commission

(None)

#### Informational Items

##### 1. Resource Management—Kevin Barnes

- *Update on Cox Tower project. Contractor is now working in the tower and the Judges are aware. Projects are going smoothly.*
- *Historic Courthouse Room 300/Civil Division, is close to completion.*
- *Window washing is set for campus building.*
- *Public Service Center gate is broken—the gate is too heavy for its size and made of steel. They are working on a solution/perhaps putting the gate on wheels.*
- *Generator test at the Public Service Center went well.*
- *Update on Crown Meadows—response in process.*
- *Brief discussion of group home properties.*
- *Update on a Resource Management employee working on certification.*

##### 2. Other Items

Rick Artman:

- *Rick reports on a metal pipe replaced at Farm Road 174, west of ZZ.*
- *FEMA is requiring watershed confirmation on regulations.*
- *Employee update—discussion of the vacant Chief Engineer position and how it might be filled from within the department. Commissioner Bengsch suggested Rick get with Human Resources to work out particulars on filling that position.*

Commissioner Cirtin:

- *Recap of news conference on May 31 and its impact.*
- *Brief discussion of the proposal presented to the City of Springfield.*
- *Recap of conversation with Senator Roy Blunt.*
- *Schedule update.*
- *Volunteer request for campus clean-up and improvement.*
- *Update regarding Rogersville grant for small cities. They were not rewarded the grant, but are looking for partnerships from other sources. Discussion of other possible resources.*
